Volunteers and Pressed Men Roger Broad,2017-05-27 Britain did not stand alone in 1940 after the fall of France Men and women from around the world fought in British Empire forces in two global wars Unpublished personal memoirs and other sources now record their experience and achievements The first overall recognition of their contribution The great heroic myth of 20th century British history is that after the fall of France in June 1940 Britain stood alone This does a great disservice to the millions of men and women from around the world who rallied to the British cause As in 1914 1918 Britain in 1939 1945 could call on the human and material resources of the world s greatest empire and without them could not have held off Germany and Italy and later Japan In the First World War Britain initially depended on volunteers to form Kitchener s New Army but from 1916 it had to resort to conscription The imperial forces were mainly raised voluntarily although as in Britain various forms of social and economic pressure were applied to get men into uniform In both wars some Commonwealth and Empire territories applied formal conscription In 1939 1945 these countries doubled the military manpower available from Britain itself Volunteers and Pressed Men How Britain and its Empire Raised its Forces in Two World Wars draws on official documents diaries memoirs and other sources to describe how alongside Britain s own forces men and women drawn from the Americas to the Pacific served fought and suffered injury and death in Britain s cause Illustrations 28 black and white photographs

The Trees are All Young on Garrison Hill Gordon Graham,2005 In this memoir Gordon Graham takes the reader on a journey from a quiet respectable boyhood in Scotland to the sudden brutality of jungle warfare in Assam and Burma to eventually his later life as a publishing executive where he finds himself doing business with his former Japanese enemies

John Buchan: 28 Novels & 40+ Short Stories (Illustrated) John Buchan,2023-12-06 In John Buchan 28 Novels he was a public figure whose experiences in journalism politics and the military shaped his writing His tenure as a member of Parliament and a governor general of South Africa imbued him with insights into national identity and the complexities of power These experiences are intricately woven into his narratives bringing authenticity and gravitas to his characters adventures and moral dilemmas profoundly reflecting the zeitgeist of the British Empire This remarkable collection is a must read for enthusiasts of classic literature and adventure stories as it unlocks the doors to a bygone world of espionage and cultural exploration Buchan s masterful storytelling will enthrall both new readers and long time fans inviting them to delve into the layered narratives that have defined a genre In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible

Military Musings Leonard J. Gill,2003 The experiences of a Kenya born English lad in the fight against the terrorism of the Mau Mau Rebellion **Ogada** Cp Skoda,2008 This is a masterfully composed story of an American missionary kid growing up amongst the Luo people in Kenya attending a boarding school in the midst of the Mau Mau Emergency and straddling diverse cultures on two continents Skoda is an extraordinarily keen observer with great intellectual curiosity and verbal dexterity The end result is beautiful prose which intertwines deeply personal experiences with detailed historical geographic and cultural information In closing Skoda rewards the reader with A Code of Behavior and A Declaration of Rights designed for universal application To refer to this book only as a personal memoir is to minimize the daring scope of its content yet it is Skoda s personality and personal life experiences that enhance every page **Monsters** Gerald Scarfe,2008-09-18 Gerald Scarfe Britain s most controversial satirical artist is famous for having worked with a broad and eclectic mix of British and American icons including Pink Floyd and Disney But he is perhaps best known for his political cartoons which have appeared in numerous newspapers and magazines notably in the Sunday Times Published to coincide with a major exhibition of the original artworks in the Houses of Parliament this new book brings together fifty years of Scarfe s political drawings in a brilliantly entertaining journey through the history of our nation s leaders from Churchill s last visit to the House of Commons in 1965 to the Thatcher years to Tony Blair s legacy and Gordon Brown s succession in 2007 With razor sharp wit and exuberant energy Scarfe s drawings lampoon our leaders political ambitions scandals and disasters in inimitable style *The Journey of Duty: From Africa to Europe* Olgett Kazimoto,2024-03-01 Early life experiences of the author in the northern province of Zambia in Africa and training in healthcare with subsequent employment in the mining industry healthcare owned jointly by the Anglo American Corporation and the Government of the Republic of Zambia mark the beginning of the journey of duty After working for eight years from 1990 to 1998 this initial part of the journey of duty becomes full of challenging encounters and adventure stories associated with copper mining operations Moving to Britain as a migrant worker marks the second part of the long journey of duty Over the next 22 years the author is immersed in the busy National Health Service NHS an umbrella organisation for thousands of hospitals and allied institutions Experiencing the British way of life becomes fascinating but then part of this way of life is about how politics influence the way healthcare is delivered by the NHS which takes the centre stage throughout the rest of this book The NHS tales about its origins evolution inspiring radical transformation in the 21st century traffic light targets and the dark

times of scandals with red tape are quite revealing especially for people intending to work train or are working as healthcare professionals In the thick of it are some of the shining stars with rare qualities of fixing the broken parts of the healthcare systems that end this book
