San Francisco's Lost Landmarks James R. Smith,2005 With long forgotten stories and evocative photographs San Francisco s Lost Landmarks showcases the once familiar sites that have faded into dim memories and hazy legends Not just a list of places facts and dates this pictorial history shows why San Francisco has been a legendary travel destination and one of the world s premier places to live and work for more than one hundred and fifty years It not only tells of the lost landmarks but also dishes up the flavour of what it was like to experience these past treasures

Bummer & Lazarus Malcolm E. Barker,2001 It s back bigger and better with new stories illustrations First published in 1984 the book recounts the delightful story of two stray dogs who roamed the streets of San Francisco in the early 1860s as reported in newspapers of the period In a new introduction Barker compares these contemporary accounts with the myths that have evolved around Bummer and Lazarus Herb Caen called the original a wonderful addition to the shelf of Sanfriscana Chronicles of Old San Francisco Gael Chandler,2014-10-01 Discover one of the world s most unique and fascinating cities through 28 dramatic true stories spanning the colorful history of San Francisco Author Gael Chandler takes readers through more than 250 years of American history with exciting essays on topics such as the city s origins to the founding of the Presidio of San Francisco and the Mission San Francisco de Asis to its modern role as the progressive and innovative heart of a nation Along the way you ll meet characters like the city s foremother Juana Briones Gold Rush entrepreneur Levi Strauss confectioner Domenico Ghirardelli gangster Al Capone the rock legends of Haight Ashbury activist politician Harvey Milk the pioneers of today s techno boom and many others who changed the face of the city plus lesser known tales like those of the children of Alcatraz and the story of John McLaren the architect of Golden Gate Park In addition guided walking tours of San Francisco s historic neighborhoods by the bay and beyond illustrated with color photographs and period maps take readers to the places where history really happened

Six-Guns and Saddle Leather Ramon Frederick Adams,1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more **The California Progressives** George E. Mowry,2023-11-15 The California Progressives offers an in depth exploration of the progressive movement as it unfolded in California shedding light on its role

in shaping both state and national reform efforts between 1900 and 1916 Part of the Chronicles of California series this work examines the paradoxical nature of progressivism a bipartisan reform wave led predominantly by middle and upper class citizens during a time of relative prosperity Through the lens of California s grassroots political dynamics the book tackles key questions about the motivations goals and ideologies of the Progressive leaders as well as the broader implications of their reforms on American liberalism and the cyclical nature of reform movements Building on over a decade of research into progressivism at the national level the author emphasizes the necessity of understanding the movement from its state level origins This California focused study illuminates how reformers enacted significant changes often adapting earlier populist and agrarian radical platforms to meet new challenges While the book primarily reflects the progressive liberal perspective due to limited access to sources from defenders of the status quo it remains an invaluable resource for understanding the complexities of progressivism in California and its enduring impact on American political and social landscapes This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1951 **The Irish and the Making of American Sport, 1835-1920** Patrick R.

Redmond,2015-03-07 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly s rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman s close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA s initial international sporting ventures and in the making and breaking of amateurism within sport *Dorothea Lange* Linda Gordon,2010-09-21 Dorothea Lange s photographs define how we remember the Depression generation now an evocative biography defines her creative struggles and enduring legacy We all know Dorothea Lange s iconic photos the Migrant Mother holding her child the gaunt men forlornly waiting in breadlines but few know the arc of her extraordinary life In this sweeping account renowned historian Linda Gordon charts Lange s journey from polio ridden child to wife and mother to San Francisco portrait photographer to chronicler of the Great Depression and World War II Gordon uses Lange s life to anchor a moving social history of twentieth century America re creating the bohemian world of San Francisco the Dust Bowl and the Japanese

American internment camps She explores Lange s growing radicalization as she embraced the democratic power of the camera and she examines Lange s entire body of work reproducing more than one hundred images many of them previously unseen and some of them formerly suppressed Lange reminds us that beauty can be found in unlikely places and that to respond to injustice we must first simply learn how to see it Adult Catalog: Subjects Los Angeles County Public Library,1970

Inside the Barbary Coast David Jensen, 2001-12-12 John Pitman Jr didnt want to become a doctor His father had been one and had failed a die hard who had clung to cupping and purging as a means of ridding the bodys impurities But as a stevedore on the docks of San Francisco no one could mend broken bones like John Pitmans lanky son Jack Finally the young lad decides If he is to become a doctor he will be the best

INSIDE THE BARBARY COAST is where Jack Pitman chooses to open his medical practice It is an area of San Francisco filled with saloons parlor houses and opium dens bordering on Chinatown Fresh out of medical school Jack saves the life of a young Chinese prince who is an actor in Dr Pierre Louthans medical show Louthan did not go to medical school but easily passes off as a learned physician with his European manner silver tongued ability to converse on any subject relating to anatomy and his courses of treatment that involve a growing array of patent medicines Jack falls in love with Louthans assistant Marie not realizing she is married to the quack doctor Although Jacks nurse the wise Madam Wong cautions the young doctor he is smitten nonetheless and fathers a child Louthan believes is his Jack fights to discredit the huckster hoping Marie will see Louthan as a charlatan and leave him She however has plans of her own and manages to snare Jack in her own secret web As Jack becomes consumed in his new practice he tries valiantly to save the life of Hawaiis King David Kalakaua who is dying at the Palace Hotel His friend Gentleman Jim Corbett the famous boxer plays a role as does Adolph Sutro San Franciscos flamboyant mayor who built the famous Sutro Baths near the Cliff House facing the sea Jack embraces electro therapeutics because he believes it is the frontier of the New Medicine When a prominent socialite is accidentally electrocuted in his office he dismisses electrotherapy altogether and labels X rays as another quack fad But he is wrong and discovers his miscalculation just as tong wars break out in Chinatown and as President McKinley sends 10 000 young troops past the Golden Gate on their way across the Pacific to the Philippines The young doctor from the Barbary Coast hones his surgical skills while serving as a medic in the Spanish American War When he returns Marie still loves him but cannot find justification to divorce her husband The bubonic plague hits San Francisco giving the unions ammunition in their fight to exclude more Chinese from immigrating to the United States Meanwhile the always scheming Dr Louthan concocts a new patent medicine that increases sexual vigor It is based on the findings of a European endocrinologist Louthan experiments on himself resulting in a fight with Marie that leaves their relationship damaged But Pierre will not grant his wife a divorce spurring Jack to join other physicians in San Francisco and around the country to discredit Louthan and other quack doctors like him The plan works and Louthan finds the underpinning to his nostrum business slipping away Jack and Marie have just

attended Enrico Carusos performance of Don Jos and taken a room at the Palace Hotel when a devastating earthquake rocks San Francisco It is April 18 1906 Shaken out of bed Jack puts Marie in a taxi to go home and heads to the Pacific Anatomical Museum where he finds Louthan has been trapped by a fallen beam As a fire erupts and flames begin licking their way closer Nate Nordstrand an old friend of Jacks who now works for Louthan swings a fire ax to amputate the quack doctors leg to free him from the beam and encroaching inferno But Nate is not finished and swings again this time squarely across Louthans neck An eye for an eye he shouts Jack knowing the full meaning of his cry Jack returns home and finds th
