Herzl Fife

Tales Worth Retelling:

Tales Worth Retelling Herzl Fife, 1950 *Tales Worth Telling* Tony R. Sanchez, 2013-12-23 In a set of stories about 17 American heroes and heroines this book analyzes the hero concept in the nation's history. This book unmask and reveals some of the United States most beloved historical figures reflecting their strengths values and flaws as no conventional history textbook can. Each chapter provides a comprehensive and complex look at the heroes and heroines who helped to shape a national identity. This book also examines the history mechanics and proven benefits of storytelling identifying the form as an effective strategy to teach about some of the nation's most famous men and women. Each story concludes with a set of discussion questions that allow both educators and students to probe transcending values that are still relevant for young Americans today *Tales Worth Retelling* , 1990 *Stories Worth Telling; Or, Mental Food for Young Readers* , 1825

Stories and Story-telling in Moral and Religious Education Edward Porter St. John, 1918 *True Stories of Old Sag Harbor* Jim Marquardt, 2019-01-08 Under the title LOOKING BACK in a series of columns over many years Jim Marquardt has delved into the colorful history of Sag Harbor from the colonists who came ashore at Conscience Point in 1645 to the intrepid whaling captains who ventured into unknown Arctic waters. Did you know that at one time whaling was the third largest industry in the United States. Or that a few Sag Harbor sailors jumped ship and became kings of South Seas islands. Or that Sag Harbor wives sometimes sailed with their husbands on three and four year voyages. Here are the stories of the Native Americans who lived here long before the colonists the friendship of Chief Wyandanch and Lion Gardiner the first Custom House established in our young country the Black sailors who crewed the whale ships saboteurs who landed in Amagansett in WW 11 mutinies shipwrecks steamboats and people like John Steinbeck who wrote that Sag Harbor made him happy. This is a rich collection of more than 70 stories by a writer who has dug deeply to tell us why so many people visit linger in and love Sag Harbor **Early Rome** Jaclyn Neel, 2017-04-03 The scholarly community has become increasingly aware of the differences between Roman myths and the more familiar myths of Greece. *Early Rome Myth and Society* steps in to provide much needed modern and accessible translations and commentaries on Italian legends. This work examines the tales of Roman pre and legendary history discusses relevant cultural and contextual information and presents author biographies. This book offers updated translations of key texts including authors who are often absent from classical mythology textbooks such as Dionysius of Halicarnassus and Servius. Editor Jaclyn Neel debunks the idea that Romans were unimaginative copyists by spotlighting the vitality and flexibility of Italian myth particularly those parts that are less closely connected to Greek tales such as the story of Caeculus of Praeneste. Finally by calling attention to the Italian rather than Roman nature of the collection this book suggests that Roman culture was broader than the city itself. This important work offers up to date and accessible translations of Roman and Italic legends from authors throughout antiquity. Examination of compelling tales that involve the Roman equivalent of Greek heroes. Unique view of the strength and plasticity of Roman and Italic myth.

particularly the parts less closely connected to familiar Greek tales Intelligent discussion of relevant cultural and contextual information Argument that Roman culture reached far beyond the city of Rome Fresh and readable Early Rome Myth and Society offers essential reading for students of ancient Rome as well as those interested in Roman and Greek mythology

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1951 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals **Dinner with a Cannibal** Carole A

Travis-Henikoff,2008-03-01 Presenting the history of cannibalism in concert with human evolution Dinner with a Cannibal takes its readers on an astonishing trip around the world and through history examining its subject from every angle in order to paint the incredible multifaceted panoply that is the reality of cannibalism At the heart of Carole A Travis Henikoff s book is the question of how cannibalism began with the human species and how it has become an unspeakable taboo today At a time when science is being battered by religions and failing teaching methods Dinner with a Cannibal presents slices of multiple sciences in a readable understandable form nested within a wealth of data With history paleoanthropology science gore sex murder war culinary tidbits medical facts and anthropology filling its pages Dinner with a Cannibal presents both the light and dark side of the human story the story of how we came to be all the things we are today [American Childhood](#),1928 Includes music mostly songs with piano accompaniment
