**Taliessin Through Logres. Arthurian Torso** Charles Williams, C.S. Lewis, 1974 **Taliessin Through Logres, The Region of the Summer Stars, Arthurian Torso** Charles Williams, Clive Staples Lewis, 1976 **Arthurian Literature V** Richard Barber, 1985-11 Published by Boydell Brewer Inc **The Living Church**, 1981-07 **Word and Story in C. S. Lewis** Peter J. Schakel, Charles A. Huttar, 2008-04-14 Word and Story has broken new ground by enlisting well known scholars in the examination of Lewis's ideas about language and narrative both as stated in theory and as exemplified in practice Never before has such clear significant and thorough work in these areas been brought together in one place This compilation of sixteen essays demonstrates how an awareness of Lewis's ideas about language and narrative is essential to a full understanding and appreciation of his thought and works The contributors examine Lewis's poetry The Dark Woods Studies in Words and other works that have so far received little attention in addition to more familiar parts of the Lewis canon By approaching Lewis primarily as an artist and theorist not just a Christian apologist these essays offer new insights into his creative imagination critical acumen and his craftsmanship as a writer One comes away from this book with a fresh vision and with heightened expectation eager to return to Lewis's works *A Short History of English Literature* Harry Blamires, 2013-02-28 First published in 2012 This work of introduction is designed to escort the reader through some six centuries of English literature It begins in the fourteenth century at the point at which the language written in our country is recognizably our own and ends in the 1950s It is a compact survey summing up the substance and quality of the individual achievements that make up our literature The aim is to leave the reader informed about each writer's main output sensitive to the special character of his gifts and aware of his place in the story of our literature as a whole **Twentieth Century Fiction** George Woodcock, 1983-04-01 **The Quotable Lewis** Jerry Root, Wayne Martindale, 2012-03-12 This book presents more than 1 500 quotes from C S Lewis's writings providing ready access to his thoughts on a variety of topics An exhaustive index references key words and concepts allowing readers to easily find quotes on any subject of interest **Studies in Medieval and Renaissance Literature** C. S. Lewis, 2013-11-07 An invaluable collection for those who read and love Lewis and medieval and Renaissance literature *Sehnsucht: The C. S. Lewis Journal* Bruce R. Johnson, 2024-02-29 Sehnsucht The C S Lewis Journal Volume 17 2023 is edited by Bruce R Johnson for The Arizona C S Lewis Society This journal is the work of the C S Lewis Initiative of George Fox University of Newberg Oregon *Branches to Heaven* James Como, 2015-12-30 Of Edmund Spenser C S Lewis wrote his work is one like a growing thing a tree with branches to heaven and roots to hell And in between these two extremes comes all the multiplicity of human life This book seeks to demonstrate the aptness of that quotation when applied to Lewis himself From his deepest emotional and psychological landscape to his prevailing temperament and then to his training Lewis marshaled his magnificent rhetorical skills on behalf of his vocation to make Christianity a reasonable and inviting alternative to doubters In this and through the many genres of which he was a master

he never wavered These are the branches the available means of persuasion as Aristotle put it Sources influences experience and his very self these are the roots A close look at these with a combination of argument critical analysis and some fresh connections finally yield an unexpected portrait C S Lewis and his work are indeed one with deeper roots and loftier branches than the current reputation of the master and his avuncular persona suggest **An Unexpected Light** David C Mahan,2010-06-24 Can poetry matter to Christian theology David Mahan asks in the introduction to this interdisciplinary work Does the study of poetry represent a serious theological project What does poetry have to contribute to the public tasks of theology and the Church How can theologians clergy and other ministry professionals and Christian laypeople benefit from an earnest study of poetry A growing number of professional theologians today seek to push theological inquiry beyond the relative seclusion of academic specialisation into a broader marketplace of public ideas and to recast the theological task as an integrative discipline wholly engaged with the issues and sensibilities of the age Accordingly such scholars seek to draw upon and engage the insights and practices of a variety of cultural resources including those of the arts in their theological projects Arguing that poetry can be a form of theological discourse Mahan shows how poetry offers rich theological resources and instruction for the Christian church In drawing attention to the peculiar advantages it affords this book addresses one of the greatest challenges facing the church today the difficulty of effectively communicating the Christian gospel with increasingly disaffected late modern people *C. S. Lewis: Anti-Darwinist* Jerry Bergman,2016-11-11 It is commonly believed that C S Lewis was a theistic evolutionist a conclusion based on a few statements that he made in *The Problem of Pain* and *Mere Christianity* A careful study of his writings reveals not only that for most of his life he was not a theistic evolutionist but strongly opposed Darwinism especially towards the end of his life **The Wonder Of His Love** Nancy Stafford,2004 God's love is a vast incomprehensible ocean Spend the next thirty one days getting your feet wet in this wild fresh and endless sea with intimate meditations by author Nancy Stafford **Inklings of Heaven** Sean Connolly,2007 Together with his brother Warnie and his friends J R R Tolkien Charles Williams and others C S Lewis made up an intellectual group which called themselves the Inklings The joke of course was a literary one for Lewis above all the heaven directed was never lacking Christian *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry **Charles Williams and C. S. Lewis** Paul S. Fiddes,2021-10-21 This study of the literary relationship between Charles Williams and C S Lewis during the years 1936 1945 focuses on the theme of co inherence at the centre of their friendship The idea of co inherence has long been recognized as an important contribution of Williams to theology and had significant influence on the thought of Lewis This account of the two writers conviction that human persons inhere or dwell both in each other and in the triune God

reveals many inter relationships between their writings that would otherwise be missed It also shows up profound differences between their world views and a gradual though incomplete convergence onto common ground Exploring the idea of co inherence throws light on the fictional worlds they created as well as on their treatment whether together or separately of a wide range of theological and literary subjects the Arthurian tradition the poetry of William Blake and Thomas Traherne the theology of Karl Barth the nature of human and divine love and the doctrine of the Trinity This study draws for the first time on transcriptions of Williams lectures from 1932 to 1939 tracing more clearly the development and use of the idea of co inherence in his thought than has been possible before Finally an account of the use of the word co inherence in English speaking theology suggests that the differences that existed between Lewis and Williams especially on the place of analogy and participation in human experience of God might be resolved by a theology of co inherence in the Trinity To Michal from Serge Charles Williams, Florence Sarah Conway Williams, 2002 These letters to Michal Williams endearing name for his wife from Serge a moniker by which his most intimate friends addressed him are more than just a collection of love letters they are significant for what they tell us about the man for the light they throw on his work and for the way they show Williams in the context of his literary contemporaries C S Lewis T S Eliot W H Auden Dorothy L Sayers Christopher Fry and Edith Sitwell In fact Williams felt that T S Eliot and C S Lewis were the only two people other than his wife to whom he could talk seriously about important matters A Far-off Country Martha C. Sammons, 2000 A Far Off Country offers a comprehensive introduction to C S Lewis major works of fantasy fiction The Chronicles of Narnia The Space Trilogy and Till We Have Faces Drawing on Lewis manuscripts as well as unpublished letters Sammons provides a detailed background for the novels including biographical information on Lewis as it pertains to each work She thoroughly investigates the characters symbols and themes of the novels highlighting the Christian doctrines that are embedded in them in addition to the many Biblical parallels Sammons also includes numerous references from Lewis other books ultimately relating the ideas presented in his written works to his Christian beliefs Exhaustive in its analysis yet accessible to a wide audience this book will excite those in search of an insightful guide to Lewis works *The Arthurian Handbook* Norris J.
