Hacking French Benny Lewis, 2017-03-28 It s true that some people spend years studying French before they finally get around to speaking the language But here s a better idea Skip the years of study and jump right to the speaking part Sound crazy No it s language hacking Unlike most traditional language courses that try to teach you the rules of French LanguageHacking shows you how to learn and speak French through proven memory techniques unconventional shortcuts and conversation strategies perfected by one of the world s greatest language learners Benny Lewis aka the Irish Polyglot Using the language hacks shortcuts that make learning simple that Benny mastered while learning his 11 languages and his speak from the start method you will crack the language code and exponentially increase your language abilities so that you can get fluent faster It s not magic It s not a language gene It s not something only other people can do It s about being smart with how you learn learning what s indispensable skipping what s not and using what you ve learned to have real conversations in French from day one The Method LanguageHacking takes a modern approach to language learning blending

the power of online social collaboration with traditional methods It focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses This means that you can have conversations immediately not after years of study Each of the 10 units culminates with a speaking mission that prepares you to use the language you ve learned to talk about yourself Through the language hacker online learner community you can share your personalized speaking missions with other learners getting and giving feedback and extending your learning beyond the pages of the book You don t need to go abroad to learn a language any more

Williams,Dominique Wenzel,1999-12-15 If you buy into the Pep Le Pew stereotype of the French arrogant stuffy overly amorous and rather odiferous Pep Le Pew was a skunk Talk about stereotypical then think again Not only are the French people some of the most relaxed pleasant people you ll ever meet but their society is one of the oldest most culturally rich societies in the world So it s no surprise that French is known as perhaps the most beautiful of all languages Listen to someone speak French sure you don t have a clue what she s saying but aren t you enraptured by the sound of it Unfortunately just because a language is beautiful doesn t mean that it s easy to learn Although French has many things in common with English French has had many many centuries to evolve into the language it is today which means it s had all that time to become more complex That s where French For Dummies can help Written in partnership with the language experts at Berlitz this book can give you what you need for basic communication in French French For Dummies covers the following topics and more Basic pronunciation and gestures The nuts and bolts of French grammar Meeting and greeting in French Situations in which you can use French Making small talk dining out shopping and talking on the phone Traveling to France Dealing with French currency staying at a hotel and getting around town Top Ten lists on ways to pick up French quickly things you should never say in French favorite French expressions and important French holidays to remember Appendixes with verb conjugation tables as well as a French mini dictionary French For Dummies also comes with a CD that has audio transcriptions of all the exercises in the book so that you can actually hear the French pronunciations So whether you re taking a business trip and need to pick up a little French quickly you re cramming for your high school French final or

you've always wanted to learn a new language but don't have the time to drag yourself to a class once a week French For Dummies can get you well on your way to becoming fluent in no time 3 Minute French - Course 1 Kieran Ball, 2016-08-19

This book will teach you to speak French using an extremely simple and easy to follow method. If you've struggled to learn French in the past, this book is for you; you will succeed with this method. This book is split up into nine lessons, each of which will teach you a selection of useful words and phrases, and you'll learn how to put them together to form sentences, enabling you to communicate effectively in French from the very first lesson. You need no prior experience with French; you need no other materials; everything you'll need is contained within this book. You'll learn vocabulary that will be useful on any trips to France or any other French-speaking country. It's perfect for the holiday maker who wants to be able to communicate during their vacation. You'll have opportunity to practise what you've learnt thanks to hundreds of recap exercises, and you'll also learn about the 3 Minute Ideology and why extremely short bursts of study are much more effective for your overall learning than long drawn-out study sessions. Each word or phrase also comes with a useful pronunciation guide to show you how to say it in French. I wrote this book under the assumption that you know nothing about the French language; in fact, I wrote it under the assumption that you know nothing about languages full stop. This is because when I first started learning languages, I was always thrown off by specific grammar terms or strange rules that weren't really explained properly. I explain everything in an easy-to-follow manner so you won't get lost. So give 3 Minute French Course 1 a go today and start speaking this beautiful language.
