Braden, 1993-07-01. In *Abraham Lincoln Public Speaker* Waldo W. Braden presents a thought-provoking study of the sixteenth president's rhetorical style. In his discussion of Lincoln's speaking practices from 1854 through 1865, Braden draws extensively on Lincoln's papers and the reports of those who knew him and heard him speak. He portrays Lincoln in his various shows how Lincoln adapted to the public's growing recognition of his political abilities. In separate chapters devoted to Lincoln's three most famous speeches—the First Inaugural Address, the Gettysburg Address, and the Second Inaugural Address—Braden analyzes the ways in which each demonstrated Lincoln's persuasive abilities during the difficult years of the Civil War. Braden does not claim that Lincoln was an orator in the grand classical style of Daniel Webster, Edward Everett, and Charles Sumner. But he shows that Lincoln was a gifted speaker in his own right, able to win support by demonstrating that he was a man of common sense and good moral character. **El-Hi Textbooks & Serials in Print, 2005**, 2005. **El-Hi Textbooks & Serials in Print, 2000**, 2000. **21st Century Communication: A Reference Handbook** William F. In a calm, sustained style, the author breaks new ground in the ongoing feminist theological pilgrimage, one that will make traditionalists squirm and liberationists cheer. Choice. In *The Power to Speak*, Rebecca Chopp offers an exhilarating defense of feminist theology as proclamation and good news for all. Arguing for a critique and transformation of language, subjectivity, and politics, this thoughtful, engaged book opens new directions in feminist thought. Elizabeth Fox-Genovese: A provocative treatment of feminist theology's deepest potential to transform the discipline through language. **WATERwheel** Rebecca Chopp is developing an original theological position. Her interpretation of Christian faith and Christian theology as having to do primarily with emancipatory transformation breaks through the individualistic pietism of modern liberalism as well as the provincialism of many of the liberation theologies.
