Sexperiment Ed Young,Lisa Young,2012-01-10 The predominant

message in our culture is that it s okay to have sex whenever wherever and however we want Sex has become just sex But

while society has taken sex too far the church hasn t taken it far enough God wants couples to make love in marriage with

passion with purpose and with pleasure Marriages aren t experiencing all the benefits that come from a healthy sex life

Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the

house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it s more than a chore The

Youngs believe it s time to get back to understanding the context of sex in marriage and that it s time for couples to break the

barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly

intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a

life punctuated by exclamation marks
