

Country

Poems about

In rolling hills of green and gold,
A story silently unfolds.
The whispering winds call out to me,
"Here is where your heart can be."

Sheep graze in peaceful solitude,
Birds chirp in grateful attitude.
The sky bows down to kiss the land,
In a beauty simple, yet so grand.

Endless pastures, a boundless sea,
In rolling hills, I find me.
A tranquil sight, a peaceful roam,
In rolling hills, I find my home.

, 2009-09-16 BeNeca Ward highlights the practices that were once used to set the American standards on raising children to be kind respectful and responsible adults Shedding light on the timely topic of how to instill great values into today's children this book focuses on GETTING BACK TO THE BASICS OF PARENTING utilizing the lessons that were used for at least three generations but for many reasons are no longer being taught Subtle and informative this book infuses humor and wit as readers reflect upon their own experiences and are tuned into the experiences of others It also spotlights how much was once taught through the simplest lessons With chapters like Hold My Hand The Patience of a Pomegranate The Makings of a Man and Family Ties readers are in for a memorable illuminating experience As Ward states it is never too late to mold America's children into kind respectful and responsible adults Excerpts Growing up we became very familiar with the words structure and discipline They were blended into the cement that was laid on the foundation of our lives which ultimately held all our values together As children we were not given the most but taught to appreciate the least I learned how to accept the fact that everyone will not think that I am the most beautiful person but just as I found beauty within myself someone else would find beauty in me as well Being neighborly was a bit like mandatory community service Bedtime was a regular vocabulary word in our household A man's name was ultimately viewed as the mirror image of his legacy It was looked at as something similar to a bowl of life Everything that he did during his lifetime was put inside of his name *Voices of the Country*

Michael Streissguth, 2004 Voices of the Country presents interviews with innovative musicians producers and songwriters who shaped the last fifty years of country music From Eddy Arnold's new smoother approach to song delivery to Loretta Lynn's take no prisoners feminism these people opened new vistas in country music and American culture Streissguth is a sensitive and knowledgeable interviewer he gets beyond the standard publicity tales to the heart of the real voice and real experiences of these important figures **Good Country Canad** John Ferth, 2012-12 The Stage is our world We play our
