The Food of Gods and How It Came to Earth H Wells, 2014-04-05 EXACT reproduction from an original copy of *THE FOOD OF THE GODS AND HOW IT CAME TO EARTH* by H G Wells first published in 1904 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book What happens when science tampers with nature A riveting cautionary tale with disastrous results reveals the chilling answer Hoping to create a new growth agent for food with beneficial uses to mankind two scientists find that the spread of the material is uncontrollable Giant chickens rats and insects run amok and children given the food stuffs experience incredible growth and serious illnesses Over the years people who have eaten these specially treated foods find themselves unable to fit into a society where ignorance and hypocrisy rule These giants with their extraordinary mental powers find themselves shut away from an older more traditional society Intolerance and hatred increase as the line of distinction between ordinary people and giants is drawn across communities and families One of H G Wells lesser known works *The Food of the Gods* has been retold many times in many forms since it was first published in 1904 The gripping newly relevant tale combines fast paced entertainment with social commentary as it considers the ethics involved in genetic engineering

The Food of the Gods H. G. Wells, 2015-07-12 Excerpt from *The Food of the Gods And How It Came to Earth* IN the middle years of the nineteenth century there first became abundant in this strange world of ours a class of men men tending for the most part to become elderly who are called and who are very properly called but who dislike extremely to be called They dislike that Word so much that from the columns of Nature which was from the first their distinctive and characteristic paper it is as carefully excluded as if it were that other word which is the basis of all really bad language in this country But the Great Public and its Press know better

and Scientists they are and when they emerge to any sort of publicity distinguished scientists and eminent scientists and well known scientists is the very least we call them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
