With an Apology for the Hope of the Kingdom of Christ, Appearing Within this Approaching Year, 1697, Etc Thomas Beverley,1697 The Envy of Angels C. Stephen Jaeger,2013-08-31 Before the rise of universities cathedral schools educated students in a course of studies aimed at perfecting their physical presence their manners and their eloquence The formula of cathedral schools was letters and manners litterae et mores which asserts a pedagogic program as broad as the modern letters and science The main instrument of what C Stephen Jaeger calls charismatic pedagogy was the master s personality his physical presence radiating a transforming force to his students In The Envy of Angels Jaeger explores this intriguing chapter in the history of ideas and higher learning and opens a new view of intellectual and social life in eleventh and early twelfth century Europe The Foolish Virgin Kathleen Thompson Norris,1928 **Rimbaud** Cecil Arthur Hackett,1981-06-04 Professor Hackett shows Rimbaud s poetic work had decisive influence on the development of French poetry The Foolish Virgin Jr. Thomas Dixon,2023-08-28 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West** ,1857 The Foolish Virgin Margaret Penn,1981-03-05 In 1910 Hilda Winstanley leaves her childhood on a Lancashire farm to live with her real father s family in London where she joins their sophisticated professional lifestyle and becomes literate cultured politically aware liberal and a suffragist **Feeling the Future at Christian End-Time Performances** Jill C. Stevenson,2022-02-01 The End is always near The Apocalypse has sparked imaginations for millennia while in more recent times highly publicized predictions have thrust End Time theology briefly into the spotlight In the 21st century fictional depictions of various apocalyptic scenarios are found in an endless stream of films TV shows and novels while real world media coverage of global issues including climate change and the migrant crisis often features an apocalyptic tone *Feeling the Future at Christian End Time Performances* explores this prevalent human desire to envision the End by analyzing how various live End Time performances allow people to live in and through future time The book s main focus is contemporary Christian End Time performances and how they theatrically construct encounters with future time not just images or ideas of a future but viscerally and immediately real experiences of future time Author Jill Stevenson s examples are Hell Houses and Judgement Houses Rapture House a similarly styled walk through drama in North Carolina Hell s Gates an outdoor reality drama in Dawsonville Georgia Ark Encounter a full size recreation of Noah s Ark and Tribulation Trail an immersive thirteen scene drama ministry based on the Book of Revelation The book s coda considers similarities between these Christian performances and secular survivalist prepper events especially with respect to constructions of and language about time In doing so the author situates these performances

within a larger tradition that challenges traditional secular sacred distinctions and illuminates how the End Times has been employed in our current social and political moment *Picturing Women in Late Medieval and Renaissance Art* Christa Grössinger, 1997 This extensively illustrated book discusses the representation of women in the art of the late Middle Ages in Northern Europe Drawing on a wide range of different media but making particular use of the rich plethora of woodcuts the author charts how the images of women changed during the period and proposes two basic categories the Virgin and Eve good and evil Within these however we discover attitudes to sinful foolish married and unmarried women and the style and use of these images exposes the full extent of the misogyny entrenched in medieval society
