The Force Of Character And The Lasting Life:

The Force of Character James Hillman, 2000-07-05 In his powerful bestseller *The Soul's Code* James Hillman brilliantly illuminated the central importance of character to our spiritual and emotional lives Now in this magnificent new book Hillman completes his exploration of character with a profound and revolutionary reflection on life's second half Character requires the additional years declares Hillman The last years confirm and fulfill character Far from blunting or dulling the self the accumulation of experience concentrates the essence of our being heightening our individual mystery and unique awareness of life Drawing on his grounding in Jungian psychology Hillman explains here the archetypes and myths that govern the self's realignment in our final years *The Force of Character* follows an enriching journey through the three stages of aging lasting the deepening that comes with longevity leaving the preparation for departure and left the special legacy we each bestow on our survivors Along the way the book explores the meanings and often hidden virtues of characteristic physical and emotional changes such as loss of memory alterations in sleep patterns and the mysterious upsurge in erotic imagination Steeped in the wisdom of a lifetime radiant with Hillman's reading in philosophy poetry and sacred texts charged with a piercing clarity *The Force of Character* is a book that will change and affirm the lives of all who read it **Force of Character and the Lastings** James Hillman, 1999 **The Force of Character** James Hillman, 2012-11-07 In his bestselling *The Soul's Code* James Hillman restored passion and meaning to the concept of identity arguing that each of us is born with an innate character the daimon or spirit that calls us to what we are meant to be Now in *The Force of Character* Hillman brings the idea of character full circle offering a revolutionary new vision of life's most feared and misunderstood chapter old age Aging is no accident Hillman writes It is necessary to the human condition intended by the soul We become more characteristic of who we are simply by lasting into later years the older we become the more our true natures emerge Thus the final years have a very important purpose the fulfillment and confirmation of one's character Contrary to the current genetic determinism that sees increased longevity as a wasted aberrance created by civilization *The Force of Character* presents an explosive new thesis The changes of old age even the debilitating ones have purposes and values organized by the psyche Memory for recent events may falter offering more place for long term recollections A heart condition in later life brings an opportunity to remove blockages from constricted relationships while changes in sleep patterns allow the old to experience the profound elements of nighttime that we usually overlook As Hillman says Aging makes metaphors of biology In this empowering and original work James Hillman resurrects the ancient widespread and socially effective idea of the old person as ancestor a model for the young the bearer of a society's cultural memory and traditions America disregards old people who aren't young acting and young looking We don't realize that oldness is an archetypal state of being that can add value and luster to things we treasure places we revere and people's character When we open our imaginations to the idea of the ancestor aging can free us from convention and transform us into a force of nature releasing our deepest beliefs for the

benefit of society For all who read it The Force of Character will be a seminal life affirming experience Enchanting - Life's Dream Calling Margrit Eleonore Haid,2024-01-18 How can the 2nd half of life become a rewarding and enchanting adventure with zest and esprit How can your life dream and the dream that LIFE has of you come true How can this be accomplished despite all the challenges that life and aging present 70plus psychotherapist Margrit E Haid shows in an easy to understand way and in a colourful sequence of topics how the findings of psychotherapy offer inspiring enriching unconventional and encouraging answers to the questions posed above In our highly complex time it is imperative to better understand and consider the interplay of body mind soul and spirit including the unconscious Therefore particular emphasis is placed on the significance of its integration and on the nocturnal dream as an evolutionary map With it also the immense creative capacity inherent in every human being and willpower are of great importance Integrating and embracing all these areas are crucial for an empowering and deeply satisfying 2nd half of life however challenging it may be Besides her own conclusions also well known authors are explored from the fields of psychotherapy consciousness research medicine sociology philosophy quantum physics biology and anthropology such as C G Jung C P Est s Ken Wilber James Hillman Leopold Rosenmayr Danielle Quinodoz Helen Luke Roberto Assagioli Ingrid Riedel Marie Louise v Franz Arnold Mindel Rupert Sheldrake Alan Wolf and others **A Guide to Forensic Testimony** Fred Chris Smith,Rebecca Gurley Bace,2003 A technical expert and a lawyer provide practical approaches for IT professionals who need to get up to speed on the role of an expert witness and how testimony works Includes actual transcripts and case studies **Lighter as We Go** Mindy Greenstein,Jimmie Holland,2017-12-12 Contrary to common wisdom and the fears of mid lifers our sense of well being actually goes up in older age even in the presence of illness or disability Lighter as We Go is the first book to explore how and why that is drawing on positive psychology and concepts of character strengths and virtues Ageless Soul Thomas Moore,2017-10-10 Ageless Soul will teach readers how to embrace the richness of experience and how to take life on accept invitations to new vitality and feel fulfilled as they get older Thomas Moore is the renowned author of Care of the Soul the classic 1 New York Times bestseller In Ageless Soul Moore reveals a fresh optimistic and rewarding path toward aging one that need not be feared but rather embraced and cherished In Moore s view aging is the process by which one becomes a more distinctive complex fulfilled loving and connected person Using examples from his practice as a psychotherapist and teacher who lectures widely on the soul of medicine and spirituality Moore argues for a new vision of aging as a dramatic series of initiations rather than a diminishing experience one that each of us has the tools experience maturity fulfillment to live out Subjects include Why melancholy is a natural part of aging and how to accept it rather than confuse it with depression The vital role of the elder and mentor in the lives of younger people The many paths of spiritual growth and learning that open later in life Sex and sensuality Building new communities and leaving a legacy *Where I Live Now* Sharon Butala,2017-04-04 The author writes of her experiences dealing with the death of her husband and adjusting to life in the city after leaving the ranchlands of

southwest Saskatchewan **Claiming Your Place At The Fire (EasyRead Large Bold Edition)** Richard Leider,2004
Richard Leider and David Shapiro helped hundreds of thousands if not millions of people discover the true purpose of their lives with their classic bestseller Repacking Your Bags Now they focus their attention on the second half of life showing readers how to claim their rightful place as new elders men and women who the authors write use the second half of life as an empty canvas a blank page a hunk of clay to be crafted on purpose Claiming Your Place at the Fire uses dozens of inspiring and surprising stories of new elders as well as thought provoking exercises like the Fireside Chats that conclude each chapter to help readers address four key questions Who am I How do I stoke the wisdom gained in the first half of my life to burn more brightly in the second half Where do I belong What makes a place the right place for me in the second half What do I care about Where do I want to use my gifts and talents in the second half What is my purpose How do I leave a legacy that has real meaning for myself and my loved ones What is my purpose How do I leave a legacy that has real meaning for myself and my loved ones For the next 12 years there will be 10 000 people a day in the U S alone turning 50 Never before have so many entered into the second half of life so vital healthy and free And never before have so many had such a hunger for direction in how to live this stage of their lives in a purposeful way Claiming Your Place at the Fire shows how to embrace the lessons that we learn as we age and share these lessons in a manner that is relevant and meaningful to ourselves and the people whose lives we touch **What's Age Got To Do With It?** Louise Morse,2017-11-17 Most of us can expect to live longer than our parents and much longer than our grandparents But longevity comes at a cost and many older people are isolated get depressed suffer mental and physical ill health are beset by worries about money and grandchildren feel lost in a swiftly changing environment Louise Morse who has immense experience of working with older people and those who care for them is convinced that there is a huge amount that we can all do to live well as we live longer The basics are not complex but they do require thought and preparation and many of the solutions touch on the spiritual issues of respect belief purpose and outlook God sees old age as a time of harvest of fruitfulness and wisdom of the crown of splendour the Bible describes This is a straightforward wise practical book which offers real benefits in terms of fruitfulness and cheerfulness and shows how all of us can continue to play a part in tomorrow s world
