The Foundations Of The Theology Of Judaism Volume 1 God:

Jewish Studies on Premodern Periods Carl S. Ehrlich, Sara R. Horowitz, 2023-05-22 This volume examines new developments in the fields of premodern Jewish studies over the last thirty years The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge

The Talmud Yerushalmi and Graeco-Roman Culture Peter Schäfer, Catherine Hezser, 1998 This volume focuses on a wide range of topics such as gender studies aspects of everyday life Roman festivals magic etc hereby reflecting on the methodological problems inherent in intercultural studies

Three Questions of Formative Judaism Jacob Neusner, 2021-10-01 The academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise Three Questions of Formative Judaism encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please click here for details

The Transformation of Judaism Jacob Neusner, 2004-06-14 An eminent scholar of the history of Judaism Jacob Neusner shows in this work how Judaism changed from a philosophy to a religion between 200 and 400 C E The Transformation of Judaism is a work both revolutionary in its method and unprecedented in its results Comparing earlier and later sets of Judaic writings Neusner sets forth how philosophy abstract elegant orderly and intellectual turned into religion tangible down to earth chaotic and concrete In the process he offers an account of the birth of Judaism that has become normative Moreover Neusner's methodology can be applied to the study of religions other than Judaism because it examines the underpinnings of how a society sees the world philosophy orders itself politics and sustains itself economics
