The Four Horses:

The Four Horses of the Apocalypse Benjamin Dock Jr.,2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound The scriptures pertaining to the first three and a half years of seven week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand Consequently the same vision of John s revelation are written plainly and simple rolling up all of Daniel s entities into two basic ones One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast Secondly the beast out of the land is the false prophet sent for the destruction of Israel The scarlet woman is Jerusalem or Babylon That is pretty much it made simple so any one reading should comprehend the book Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book As well those who miss the catching away of the bride of Christ will need the information written in God s word Not much mention of this by modern ministers You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the everlasting gospel Jesus teaches in Mathew 25 3146 Evidently with so many failures of souls saved during the first half God sends an angel close to the first half ending of tribulation to announce the everlasting gospel Many people have hoarded food and other supplies but are only concerned with themselves It must have been that many people were unaware of this sheep and goat judgment in force Those who will not share with folks in need are goats and will be cast out of the kingdom You survived the 666 mark and the beast worship but failed to share God help you **Hold Your Horses** D. Cleland,2017-11-24 Do we have a case of MISTAKEN IDENTITY Presented here is a fresh new reading on the four horsemen of the book of the apocalypse Highlighted is the importance of the denarius and the balances which prove to be the two symbols that are the essential keys confirming without a doubt who rides the mysterious Black Horse of Revelation **The Four Horsemen** Jim Sayles,2021-10-10 The prophetic events described by the Lord in Matthew 24 are not yet the end The beginning of birth pains Tribulation and Great Tribulation These are described as the four progressive beast kingdoms associated with the the seven seals The lion the bear the leopard with four heads authorities and the diverse beast The horses represent kingdoms institutions and movements in the world The color of the four horses illustrate the nature of each horse and the riders of the horses represent the controlling spiritual entity or entities over the horses i e rider Our revelatory understanding of these metaphors lets us know exactly where we are on the prophetic timetable and exactly what happens during each progressive event This was deliberately intended by our Lord to equip the body of Christ to overcome during the ride of each horseman with the most important being the generation who will experience the ride of the pale green horseman

home in Venice The Horses of St Mark s have found themselves at the heart of European history time and time again in Constantinople at both its founding and sacking in the Fourth Crusade in Venice at both the height of its greatness and fall in 1797 in the Paris of Napoleon and the revolutions of 1848 and back in Venice the most romantic city in the world Charles Freeman offers a fascinating account of both the statues themselves and the societies through which they have travelled and been displayed As European society has developed from antiquity to the present day these four horses have stood and watched impassively This is the story of their and our times

Four Horsemen, Four Hearts Paul Haynes,2013 Set one object beside another of a similar color and it has one appearance Set it beside an object of a different color and it seems to transform in appearance Author Paul Haynes lays two sets of biblical symbols side by side helping the reader conceive of something entirely new As he does the four horsemen of the Apocalypse no longer seem arbitrary and scary but are transformed into messengers of life and hope Galloping from the throne room of God the four horses of heaven speak to the condition of the human heart at this momentous hour in human history issuing a call to action for all who have received the Gospel of Jesus Christ Four Horsemen Four Hearts communicates a sense of responsibility for spreading the gospel message while liberating the gospel worker as he or she recognizes that not all will have a heart to receive the message

The Wedding of the Lamb James L. Papandrea,2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church
