The Four Seasons Of T Ang Poetry:

Four Seasons of T'ang Poetry John C.H. Wu, 1989-12-15 This substantial collection of Tang Dynasty poetry includes extensive commentary and notes offering insight into this rich literary heritage Stretching out my hand I feel the pulse of the stars wrote Li Po one of the most famous of the T ang dynasty poets This superlative study of the Golden Age of Chinese poetry based on nearly 50 000 poems written by more than 2 000 poets captures not only the pulse of that period but also the spirit and soul Of this Tang blossoming Dr Wu says that for nearly thirteen centuries after Christ poetry in Europe with the exception of Juvenal kept a death like silence It hibernated so long that when it woke up again in the person of Dante the last poetic voice it could remember was that Virgil It seems though Mother Earth purposely rocked Europe to sleep for some time that she might teach Asia to sing These poetic interpretations including comparisons with many Western poets such as Shakespeare and T S Eliot represent a remarkable scholarly achievement

The Four Seasons of T'ang Poetry Jingxiong Wu, 1954 **The Four Seasons of Tang Poetry** John Ching-Hsiung Wu, 1972 **The four seasons of T'ang poetry**, 1972

A History of Western Appreciation of English-translated Tang Poetry Lan Jiang, 2018-03-08 This book examines the development of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to the Western world is a significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture

Classical Chinese Literature: From antiquity to the Tang dynasty John Minford, Joseph S. M. Lau, 2002 Contains English translations of Chinese writings drawn from throughout a period of four hundred years including poems drama fiction songs biographies and early works of philosophy and history arranged chronologically and by genre with

Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,1988-12-01 *Tang Shi San Bai Shou (Three
Hundred Tang Poems) in the English-Speaking World* Hu Xiaoying,2025-03-18 This book examines six English translations of
Tang Shi San Bai Shou Three Hundred Tang Poems the renowned anthology of Tang poetry and explores the challenges and
strategies involved in conveying the essence of classical Chinese poetry to an English speaking audience As a classic
anthology Tang Shi San Bai Shou captures the linguistic features unique expressions and traditional culture of ancient
Chinese verse Since its publication in the Qing dynasty it has circulated widely in China and extended its influence to the
English speaking world with a rich history of translation and dissemination This book unravels the complexities of translating
classical Chinese poetry and highlights the different approaches taken by translators of different periods and backgrounds by
comparing six complete translations The book discusses the linguistic cultural and artistic characteristics of Tang poetry and
readers can see how these challenges and the gaps between ancient Chinese poetry and modern English audiences are
bridged by the ongoing efforts of translators Scholars and students of classical Chinese literature and translation studies as
well as Chinese English translators and Chinese poetry enthusiasts will find this book a useful reference Readers interested
in Chinese culture will be led into the poetic world of ancient China *A Study on the Influence of Ancient Chinese Cultural
Classics Abroad in the Twentieth Century* Xiping Zhang,2022-03-28 This book presents an extensive literary survey of the
influence of ancient Chinese cultural classics around the globe highlighting a mammoth research project involving over forty
countries or regions and more than twenty languages As the book reveals ancient Chinese culture was introduced to East
Asian countries or regions very early on furthermore after the late Ming Dynasty Chinese knowhow and ideas increasingly
made inroads into the West In particular the translation of and research on Chinese classics around the world have enabled
Chinese culture to take root and blossom on an unprecedented scale In addition to offering a valuable resource for readers
interested in culture the social sciences and philosophy the book blazes new trails for the study of ancient Chinese culture
