friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for Maccabean Martyr Traditions in Paul's Theology of Atonement Jarvis J. Williams, 2010-01-01 In an age further discussions in which scholars continue to produce books on the nature and significance of Jesus s death books that often assume the Old Testament cult was the New Testament authors primary background for their conception of Jesus s death Jarvis J Williams offers a fresh and novel contribution regarding both the nature of and background influences behind Paul's conception of Jesus s death He argues that Paul s conception of Jesus s death both as an atoning sacrifice and as a saving event for Jews and Gentiles was significantly influenced by Maccabean Martyr Theology To argue his thesis Williams engages in an intense exegesis of 2 and 4 Maccabees while also interacting with other Second Temple Jewish texts that are relevant to his thesis Williams further interacts with relevant Old Testament texts and the key texts in the Pauline corpus He argues that the authors of 2 and 4 Maccabees present the deaths of the Jewish martyrs during the reign of Antiochus Epiphanes IV as atoning sacrifices and as a saving event for Israel He further argues that although the Old Testament's cultic language certainly influenced Paul's understanding of Jesus's death at certain junctures in his letters the Old Testament cult alone which emphasized animal sacrifices cannot fully explain why or even how Paul could conceive of Jesus s death a human sacrifice as both an atoning sacrifice and a saving event for Jews and Gentiles Finally Williams highlights the lexical theological and conceptual parallels between Martyr Theology and Paul's conception of Jesus's death Even if scholars disagree with Williams s thesis or methodology serious Pauline scholars interested in the background influences behind and the nature and significance of Jesus s death in Paul s theology will want to interact with this work **Between Athens and Jerusalem** John J.
