Who Were The Franks? Ancient History

5th Grade | Children's History Baby Professor,2017-04-15 Great question and this book holds the answer People shape history The decisions of key players triggered events that affected millions of people either for the better or for the worst In this ancient history book for 5th graders we will be tackling who the Franks were and what contributions they made to society Are you ready Then open to page one today *The Franks* Walter C. Perry,2023-06-16 Reprint of the original first published in 1857 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **History of the Franks** Gregory Bishop of Tours,1919-01-01 Among the narrative records of civilization inaccessible to those whose reading is confined to English texts few are of greater historical interest than the History of the Franks by Gregory of Tours The reason that it has remained so long untranslated into English is clear however to any one who has ever seriously considered the problem of which at least a partial solution is offered here In the first place although part of Gregory s narrative deals with events and men of great importance there are long sections dealing with happenings which in themselves are not worth our remembering Yet if one views the work as a source for the history of society rather than merely as a narrative of the acts of kings queens or saints it is often these relatively unimportant events which are most instructive and interesting for Gregory s picture of manners and customs is given by way of a story of what real people actually did and said It follows from this that if our main interest in the History of the Franks is in its picture of the life and customs of the times we must find that picture in what is often but a repetition of royal murders social disorder and turmoil lightened only by the equally persistent repetition of saintly virtue The editorial problem of how much or how little of such data to include is naturally one of considerable difficulty In the next place the historical value of the text varies according as Gregory dealt with past or present so that viewed as a narrative of fact the later portions have a much greater claim for preservation than the earlier If one were attempting to show what Gregory contributed to our knowledge one would be obliged to concentrate therefore upon these later sections and even there the value varies But viewing the History of the Franks as itself an exhibit of the age which it records we find ourselves often more interested in what Gregory does not know of the past than in what he does know of the present In the very limitation of outlook in the choice of incident and arrangement of perspective the narrative of distant events reveals the state of culture of Merovingian Gaul in Gregory s day Hence for the history of thought and society the poorest part of Gregory s work ranks in importance with the best It might be urged that the one solution for these editorial problems would be to offer a translation of the whole of Gregory s work But this aside from the cost of publication seems too great a bulk of text for all but special students of the period who should in any case go to the original The student of European history in its larger aspects to whom one Childebert is like another

demands an anthology for he finds the text so crowded with similar incidents that he is likely not only to lose the thread of the narrative but also to fail to appreciate the sections most significant for his own purpose In the circumstances a middle course has been taken The chapters omitted are summarized and in cases where they contain any items of special interest sections of them have been quoted in the summary This work of excision and condensation has been made with the ever present sense of the protest sure to come from the medievalist when he sees the work of desecration at last accomplished which Gregory himself so sadly feared and upon the authors of which he called down the wrath of Heaven throughout all eternity in the forceful words on page 247 of this translation It is only to be hoped that a new social value which anthropologists tell us is the basis of the sacred may justify the sacrilege With reference to the text itself the translator has attempted to follow the original as faithfully as possible It is difficult to render into another language Gregory s combination of literary qualities the chief of which are vigor crudity and a frequent affectation of literary style but this we believe Dr Brehaut has succeeded in accomplishing in a marked degree There are chapters which have the charm of Froissart swift in motion and tinged with romance but the most romantic figure of all is the bishop of Tours himself whose quaint but shrewd outlook penetrates the whole and this impression of subjectivity the present version seeks to convey

The Franks Simon MacDowall,2018-07-30 How a relatively small group of Germans came to be overlords of all of the former Roman province of Gaul giving their name to France in the process Simon MacDowall studies the Frankish way of warfare and assesses its effectiveness from their earliest incursions into the Empire down to the Battle of Casilinum 554 their last battle against Romans The size and composition of their armies their weapons including the characteristic Francisca axe equipment and tactics are discussed In this tumultuous period the Franks had a complex relationship with the Romans being by turns invaders recruits to the legions and independent allies Accordingly this book also covers the Franks role in defending the Rhine frontier against subsequent invasions by the Vandals Alans Suebi and the Huns Their success in defending their new homeland against all comers allowed them under the leadership of the Merovingian dynasty of Clovis to establish the Frankish kingdom as one of the most enduring of the barbarian successors to the power of Rome

History of France, from the Invasion of the Franks Under Clovis, to the Accession of Louis Philippe Emile de Bonnechose,1856

The Franks, from Their First Appearance in History to the Death of King Pepin Walter Copland Perry,1857

History of the Franks E. Brehaut, **The Deeds of God Through the Franks** Nogent of Guibert,2020-07-16 Reproduction of the original The Deeds of God Through the Franks by Nogent of Guibert

The book delves into The Franks. The Franks is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into The Franks, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to The Franks
- Chapter 2: Essential Elements of The Franks
- Chapter 3: The Franks in Everyday Life
- Chapter 4: The Franks in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of The Franks. This chapter will explore what The Franks is, why The Franks is vital, and how to effectively learn about The Franks.
3. In chapter 2, this book will delve into the foundational concepts of The Franks. This chapter will elucidate the essential principles that must be understood to grasp The Franks in its entirety.
4. In chapter 3, the author will examine the practical applications of The Franks in daily life. The third chapter will showcase real-world examples of how The Franks can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The Franks in specific contexts. This chapter will explore how The Franks is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Franks. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Franks.
