

The Fraser Canyon Story

John Innes painting courtesy
of Native Sons of B.C. Post #2.

Constable John Kirkup was called to a "gambling and whiskey drive" in Yale, B.C. He wound up arresting the nude hostess. Kirkup, the local newspaper editor, and the pastor fought for abstinence while the unruly workers fought and laid railway tracks. Further up the canyon, the great railwayman Andrew Onderdonk was daring the little steamship *Skuzzy* through the impenetrable Hell's Gate. Don Waite also recounts the adventures of the gold rush, the fur brigade trails, and Cariboo wagon road.

About the Author

Former Mountie Don Waite, right, makes his living as an aerial and commercial photographer in Maple Ridge. His interest in the Cariboo, Fraser Canyon, and Fraser Valley, subjects of this trilogy, was sparked by the awesome mountainscapes and fed by police assignments which uncovered some dusty archives and irresistible reports. To substantiate these, he tramped the terrible terrain himself.

Simpson, 2025-05-06 The new paperback edition of this excellent illustrated history includes additional information about recent developments up to 2025 The Kelowna Story is a comprehensive full length history of the largest metropolitan centre outside BC s Lower Mainland a labour of love by a leading local historian whose family roots have been entwined with Kelowna s for five generations It embraces the full sweep of central Okanagan history starting with the days of the S Ookanhkchinx who enjoyed a largely peaceful existence along the shores of the lakes and rivers before the earliest explorers came to trade followed by Father Pandosy and his Okanagan Mission in 1859 It was the mission that attracted Kelowna s first homesteaders soon followed by cattle ranchers and orchardists and much later by the empire builders like the Bennett family who paved the way for today s budding metropolis Author Sharron J Simpson believes history is best told through the stories of ordinary

people while allowing today's readers may not think it ordinary to walk over mountain ranges to collect mail or consider it ordinary to climb into a narrow irrigation pipe to scrape the rust off the inside as it runs up and down the hillsides or to row freight from one end of Okanagan Lake to the other. In their time she writes those who did extraordinary things were simply doing what needed to be done to get ahead. Their stories are fascinating and tell of the remarkable investment early settlers made in this community. Simpson tells the story of her hometown with an attention to detail and a passion for narrative that bespeaks her own considerable talent and deep commitment.

The Routledge Introduction to the Canadian Short Story Maria Löschnigg, 2022-12-30 This volume aims to introduce undergraduates, graduates and general readers to the diversity and richness of Canadian short story writing and to the narrative potential of short fiction in general. Addressing a wide spectrum of forms and themes, the book will familiarise readers with the development and cultural significance of Canadian short fiction from the early 19th century to the present. A strong focus will be on the rich reservoir of short fiction produced in the past four decades and the way in which it has responded to the anxieties and crises of our time. Drawing on current critical debates, each chapter will highlight the interrelations between Canadian short fiction and historical and socio-cultural developments. Case studies will zoom in on specific thematic or aesthetic issues in an exemplary manner. The Routledge Introduction to the Canadian Short Story will provide an accessible and comprehensive overview, ideal for students and general readers interested in the multifaceted and thriving medium of the short story in Canada.

Towards a New Ethnohistory Keith Thor Carlson, John Sutton Lutz, David M. Schaepe, Naxaxalhts'i - Albert "Sonny" McHalsie, 2018-04-20 *Towards a New Ethnohistory* engages respectfully in cross-cultural dialogue and interdisciplinary methods to co-create with Indigenous people a new decolonized ethnohistory. This new ethnohistory reflects Indigenous ways of knowing and is a direct response to critiques of scholars who have for too long foisted their own research agendas onto Indigenous communities. Community engaged scholarship invites members of the Indigenous community themselves to identify the research questions, host the researchers while they conduct the research and participate meaningfully in the analysis of the researchers' findings. The historical research topics chosen by the St. l community leaders and knowledge keepers for the contributors to this collection range from the intimate and personal to the broad and collective. But what principally distinguishes the analyses is the way settler colonialism is positioned as something that unfolds in sometimes unexpected ways within St. l history as opposed to the other way around. This collection presents the best work to come out of the world's only graduate-level humanities-based ethnohistory field school. The blending of methodologies and approaches from the humanities and social sciences is a model of twenty-first century interdisciplinarity.

Hidden History Teresa Cline, **Farm Stories** George Rock, 2024-10-02 George Rock grew up in the 1950s on a central Alberta farm that was very typical in some ways but unusual in others. Thanks to the Rock family's inherited expertise, knack for innovation and openness to ideas from colleagues and hired hands, the farm thrived through the 1940s and 1950s. They specialized as suppliers of breeding stock and

registered seed to other farms while extending the business into more unusual endeavours including purebred sheep and thoroughbred racehorses As George matured he also witnessed the widespread impact of mechanization which enabled the farm to expand in the 1960 s but also brought new challenges Despite being from a small geographically isolated community George was exposed early on to the larger world through stories from his extended family and the farm s ethnically diverse hired hands Third in a family of four his education included not only a one room schoolhouse but also trips to the US and neighbouring provinces Even as he grew learned and got up to mischief with his younger sister mourned the untimely death of his eldest brother when he was eleven and saw his family embroiled in a national political scandal when he was thirteen Begun as reminiscences for his grandchildren the stories in this book recall a rural world that is much changed while also reflecting universal themes of innovation humour and family adaptation
