The Frayne Brothers:

Frayne Brothers Leighton Frayne, 2003 Lindsay and Leighton Frayne are the brains and the brawn behind one of the most feared firms in the UK For years they have ruled the underworld with a fair but very firm hand When a close friend was raped and the police did nothing they upheld her honour and went after the rapist with a 44 Magnum When the daughter of a friend had drugs pushed on her they ensured that the pusher's operation was shut down permanently Their methods and success has led many gangsters to compare them with the Krays In this book they tell their own story **The Godson: A**

Les Norton Novel 4 Robert G. Barrett, 2016-01-16 NOW AN ABC TELEVISION DRAMA STARRING DAVID WENHAM AND REBEL WILSON Les Norton thought they were going to be the easiest two weeks of his life Playing minder for a young member of the Royal Family called Peregrine Normanhurst III sounded like a dead set snack So what if he was a millionaire Hooray Henry and his godfather was the Attorney General Les would keep Peregrine out of trouble So what if he was on the run for the IRA They'd never find him in Australia The Godson moves at breakneck speed from the corridors of power in Canberra to the grimy tenements of Belfast to climax in a nerve shattering blood spattered shootout on a survivalist fortress in the Tweed Valley If you thought Australia's favourite son could get up to some outrageous capers in his previous adventures until you've read The Godson you ain't read nothin' yet **Wannabe in my Gang?** Bernard

two of the most notorious and vicious criminals Britain has ever produced Instead the twins and their evil doings have since achieved almost iconic status Simultaneously they have become Ronnie and Reggie cuddly Robin Hood characters little more than a couple of bad lads who loved their mum The Kray Files is an explosive investigative work which strips away the myths that have grown up around the brothers It examines why the twins were put away the true extent of their crimes and the truth about the last 30 years which Ron and Reg spent at the expense of the country while making a quiet fortune through duplicitous dealings from behind bars It looks at why their brother Charlie turned to drugs as his only way out of a life of deprivation and misery and tries to discover the reason why some women have found the Krays fatally attractive For the first time ever The Kray Files goes behind the scenes painting a vivid picture of the brothers world through psychological profiling studying the sociology of the East End of London with the help of academics and investigating the violent legacy the brothers have left behind
