Saiyan Islam,2016-02-06 Every week Friday comes and for us Muslims Friday is very crucial in the sense we have our Jummah prayers Along with the Jummah prayers we have our weekly sermons What happens is that most of us tend to forget the sermons delivered by the Imams So I thought of this system of writing down all the sermons so that the knowledge we gain gets preserved Furthermore the sisters who are mostly unable to attend the Jummah prayer in many countries do not get the chance to learn from the weekly sermons The males can easily record their learning and teach the women at their home All the sermons are from the Imams from the Masjids I attend weekly and the Hadiths mentioned are from their own sermons Sometimes the Imams may tend to refer to weak Hadiths I have tried my best to classify them as much as possible May Allah have mercy upon us all and may we get guided to the Straight Path Ameen
