Australia

The Friendly Society:

, *Parliamentary Papers* Great Britain. Parliament. House of Commons, 1824 **Australian Income Tax Legislation 2011: Income Tax Assessment Act 1997 (sections 1-1 - 717-710)** Australia, 2011 Provides a comprehensive consolidation of Australian income tax and related legislation updated and consolidated for all amendments to 1 January 2011

A Decent Provision John Murphy, 2016-03-16 A Decent Provision is a narrative history of how and why Australia built a distinctive welfare regime in the period from the 1870s to 1949 At the beginning of this period the Australian colonies were belligerently insisting they must not have a Poor Law yet had reproduced many of the systems of charitable provision in Britain By the start of the twentieth century a combination of extended suffrage basic wage regulation and the aged pension had led to a reputation as a social laboratory And yet half a century later Australia was a welfare laggard and the Labor Party's welfare state of the mid 1940s was a relatively modest and parsimonious construction Models of welfare based on social insurance had been vigorously rejected and the Australian system continued on a path of highly residual targeted welfare payments The book explains this curious and halting trajectory showing how choices made in earlier decades constrained what could be done and what could be imagined Based on extensive new research from a variety of primary sources it makes a significant contribution to general historical debates as well as to the field of comparative social policy *Robert Owen's Experiment at New Lanark* Ophélie Siméon, 2017-10-16 This book provides an account of how in the years 1800 1825 enlightened entrepreneur and budding reformer Robert Owen used his cotton mill village of New Lanark Scotland as a test bed for a set of political intuitions which would later form the bedrock of early socialism in Britain Drawing from previously unpublished archival sources this study shows that New Lanark was not merely on the receiving end of Owen's innovative brand of industrial paternalism but also acted as a major source of inspiration for many aspects of his social system including his desire to remodel society along communitarian lines This book therefore reaffirms the centrality of New Lanark as the cradle of socialism in Britain and provides a contextualised social history of Owen's ideas tracing direct continuities between his early years as a paternalistic businessman and his later career as a radical political leader In doing so it eschews the myth of New Lanark as a unidimensional model village and addresses the ambiguities of Owen's journey from paternalism to socialism *Medical Journal of Australia*, 1918 *A Bibliography of Industrial Relations* G. S. Bain, Gillian B. Woolven, G. B. Woolven, 1979-03-29 Reference book comprising a bibliography aiming to bring together secondary source interdisciplinary material on labour relations in the UK between the years 1880 and 1970 covers employees attitudes trade unions and employees associations employers organizations the labour market and working conditions etc *Ars Quatuor Coronatorum* W.H. Rylands, W.J. Songhurst, *Ars Quatuor Coronatorum* Volume 29 **Parliamentary Debates** New Zealand. Parliament, 1896 *Compendium of Insurance Law* Robert Merkin, Johanna Hjalmarsson, 2013-08-22 The Compendium of Insurance Law consolidates diverse insurance law sources statutes and codes of practice in one comprehensive volume Each

piece of legislation is supplemented by detailed annotations which explain the operation and relationship of the legislation with other sources of insurance law The book is filled with comprehensive coverage of legislation relating to the following areas regulation reinsurance life assurance property insurance marine insurance liability insurance motor insurance insurance intermediaries insurance contracts and competition
