The Fundamentals Of Political Economy:

The Fundamentals of Political Economy P. L. Nikitin, 1983 **Fundamentals of Political Economy** Various, 2021-11-12
Volume 1 of the Fundamentals of Political Economy The Shanghai Textbook The first volume is a critical review and analysis of the historical development of capitalism written by Chinese revolutionaries during the Great Proletarian Cultural Revolution Fundamentals of Political Economy Xiaohu (Shawn) Wang, George Chung Wang, 2017-10-03 This title was first published in 1977 Fundamentals of Political Economy is a popular introductory economics text published in the People's Republic of China in 1974 as a part of the Youth Self Education series designed particularly for individual or group study The primary purpose of this series according to the preface is to elevate the cultural level of the youths going down to the countryside to advance their knowledge of the social and natural sciences as well as to arouse their class consciousness It was originally published in two volumes The first volume 11 chapters is a critical review of the historical development of capitalism The second volume 12 chapters deals with Marxist economic principles and the manner in which they are applied in China The Journal of Political Economy, 1920 Deals with research and scholarship in economic theory Presents analytical interpretive and empirical studies in the areas of monetary theory fiscal policy labor economics planning and development micro and macroeconomic theory international trade and finance and industrial organization Also covers interdisciplinary fields such as history of economic thought and social economics **Considerations on the Fundamental Principles of Pure Political Economy** Vilfredo Pareto, 2007-05-07 Between May 1892 and October 1893 the *Giornale degli Economisti* published Vilfredo Pareto's *Considerazioni sui principi fondamentali dell'economia politica pura* in five parts Viewed in its entirety the outcome is essentially a classic monograph on the fundamental issues in pure economic theory in the Lausanne tradition Pareto's work forms a document of major historical significance which to date has only been available to the relatively small number of international economists and historians of economics who read Italian This first English language edition is a significant landmark in the history of economics *Principles of Political Economy* Wilhelm Roscher, 1875 **First Principles of Political Economy** Charles Gide, 1922 **Encyclopedia of Political Economy** Phillip O'Hara, 1999-02-04 Content Description Includes bibliographical references and index **The Political Economy of Latin American Independence** Alexandre Mendes Cunha, Carlos Eduardo Suprinyak, 2016-09-19 Although historians usually trace its origins to the Haitian Revolution of the late 18th Century Latin American political economic and cultural emancipation is still very much a work in progress As new national identities were developed fresh reflection and theorising was needed in order to understand how Latin America related to the wider world Through a series of case studies on different topics and national experiences this volume shows how political economy has occupied an important place in discussions about emancipation and independence that occurred in the region The production of political economic knowledge in the periphery of capitalism can take on many forms importing ideas from abroad translating and adapting them

to local realities or else producing concepts and theories specifically designed to make sense of the uniqueness of particular historical experiences The Political Economy of Latin American Independence illustrates each of these strategies exploring issues such as trade policy money and banking socio economic philosophy nationalism and economic development The expert authors stress how the originality of Latin American economic thought often resides in the creative appropriation of ideas originally devised in different contexts and thus usually ill suited to local realities Taken together the chapters illustrate a fertile methodological approach for studying the history of political economy in Latin America This book is of great interest to economic historians specialising in Latin America as well as those who study history of economic thought political economy and Latin American history **The Principles of Political Economy** Henry Sidgwick,1901
