The Fog Maiden:

Songs of the Fog Maiden Tomie dePaola, 2013-06-18 With colorful illustrations and songs written by Tomie dePaola the world of the Fog Maiden is filled with magic As she drifts through her Day Garden the Fog Maiden passes flowing crystal fountains rows of dancing statues and secret shadowy places where she can stop and rest In each place she sings a special song At twilight her cat Token joins her They take a Night Garden walk as Star Flowers and Moon Flowers tumble from the sky Then it is time to leave for their enchanting night journey Token and the Fog Maiden first made their appearance in dePaola's book When Everyone Was Fast Asleep As in the previous book the gifted author artist has created beautiful dreamlike landscapes in magnificent full color paintings The words and pictures capture the experience of childhood imaginations This fixed layout ebook which preserves the design and layout of the original print book features read along narration by the author [The Fog Maiden](#) Jane Toombs, 1976-01-01 [Songs of the Fog Maiden](#) Tomie

DePaola, 1979-01-01 The fog maiden sings her songs before and after her nightly travels over the earth **The Ice Maiden's Tale** Lisa Preziosi, 2017-05-30 Every town has an old lady all the children just know is a witch When Johanna and Casper must spend the afternoon at her house there's nothing to do except listen to a story While the siblings await their mother's return from the hospital where she's visiting their ailing father Mrs Kinder reads them a story of adventure magic and music Mrs Kinder's mysterious golden book tells an intertwined tale of two young men the sensitive Sculptor who carves a beautiful woman from ice and the thieving Sorcerer searching for a spell that will bring the statue to life The story twists and turns from the Frozen Forest to the land of the Lemon Trees to the home of the Swamp Witch as the Sculptor's and Sorcerer's adventures circle each other Their inevitable confrontation reveals buried memories that force each of them to confront the true cost of love and redemption The Ice Maiden's Tale the perfect story within a story with magic adventure and romance reminiscent of The Princess Bride for a new generation of readers Excerpt Mrs Kinder settled herself in the chair across from the children and cracked open the book She adjusted her spectacles ever so slightly then caressed the page with her wrinkled fingers In our world when magic happens outside of a storybook we call it a miracle And miracles are considered so rare and special that lifetimes can go by without so much as a hint of one But there are faraway places where our kind of miracles are as common as blades of grass in an open field In the northern region of one of these worlds in the top far east corner past green forests swamps lakes and even an ocean there lived a young artist named Gabriel This isn't a very good story Casper complained Casper Johanna exclaimed in embarrassment Mrs Kinder laughed That's because I'm not even at the story part yet but it's high time we get started This story doesn't begin the way you think it might and the way most stories do It doesn't begin with a big adventure or a journey or even pirate treasure It starts with a tiny choice one that seems unremarkable at the time but that changes the course of destiny One crisp morning our Gabriel decided to search for firewood and it's with that simple decision that our tale begins [Anthropological Papers of the American Museum of](#)

Natural History ,1918 **Myths and Tales from the White Mountain Apache** Pliny Earle Goddard, These myths and tales are the free translations of texts recorded in the dialect of the White Mountain Apache The texts themselves with word for word translations follow as Part IV of the volume They were recorded with one exception during the winter of 1910 as a part of the studies made in the Southwest under the yearly grant of Mr Archer M Huntington The creation myth secured from Noze differs in important incidents from the versions given above from the San Carlos as well as from versions secured from other White Mountain Apache It should not be assumed that these differences are tribal it is more probable that they are individual since forms from the San Carlos and Navajo are closely similar to each other The greater number of the remaining narratives were secured from the father of Frank Crockett the interpreter employed Several of these are ceremonial and religious in their character and probably would not have been given except for the son s influence Two of these were later secured from San Carlos informants in more extended form but highly corroborative in their general agreement The main purpose in recording these narratives was to secure sufficient and varied connected texts in the dialect of the White Mountain Apache As a collection of mythology and folklore it is probably far from complete It is assumed however to be fairly representative **Myths and Tales from the White Mountain Apache** Pliny Goddard,2021-12-02 *Myths and Tales from the San Carlos Apache* Pliny Earle Goddard,1918 *The Maiden's Sword (Seekers Book #2)* Ethel Herr,1997-09-01
