The Forbidden City Collection Of Photographs By Hu Chui:

The Forbidden City Chui Hu, 1998 Hu Chui was born in 1952 into a scholarly family in Shanghai China and has had a keen interest in photography since childhood In 1969 he was sent to the countryside where he spent a number of years working as a farmer and manual laborer During that time Hu Chui continued with his avid pursuit of photographic art learning theories and techniques on his own In 1978 Hu Chui joined the Palace Museum as a photographer He later took charge of the Museum's photography studio in 1985 Throughout his career Hu Chui has tirelessly researched and experimented with ways to apply photography an imported and relatively new art form to the architecture and relics that represent China's ancient civilization His aim is to break away from the staid approach typically used in the past to photograph such monuments and art objects In doing so Hu Chui strives to inspire the viewer a simultaneous appreciation for the beauty of the objects themselves and for the artistic medium he uses to capture these images Hu Chui's works have been published in numerous books and catalogues This volume is a compilation of some of his best works of the Forbidden City capturing the spirit of its monumental architecture and stunning interiors 中国摄影网, 1998

The Serpent Symbol in Tradition Charles Dailey, 2022-01-24 Serpent and dragon symbolism is ubiquitous in the art and mythology of premodern cultures around the world Over the centuries conflicting hypotheses have been proposed to interpret this symbolism which while illuminating have proved insufficient to the task of revealing a singular meaning for the vast majority of examples In *The Serpent Symbol in Tradition* Dr Dailey argues that in what the symbolist Rene Guenon and the historian of religions Mircea Eliade have called traditional or archaic societies the serpent dragon transculturally symbolizes matter a state of being that is constituted by the perception of the physical world as chaotic in comparison to what traditional peoples believed to be the higher meta physical source of the physical world or nature In the course of Dr Dailey's investigations into the meaning of traditional serpent dragon symbolism the following contributions have proved invaluable 1 Gu non's interpretation of the language of traditional symbolism and the metaphysics that underlies it as well as his interpretation of the terminology of the Hindu Doctrines 2 Eliade's interpretation of traditional archaic societies by means of his concepts of chaos creation Axis Mundi World Axis and Sacred and Profane and 3 the insights of various other researchers of serpent dragon symbolism Beyond purporting to resolve some of the mystery of the ancient and varied symbolism of the serpent dragon *The Serpent Symbol in Tradition* strives to serve the related functions of interpreting the symbolic meanings of a wide variety of premodern artifacts and narratives as well as providing a study of the origination and ancient human awareness of the mentioned state of matter
