**Berry Craig, Korean War Veterans
Association Staff**

The Forgotten War Remembered The Korean War:

Korea 65 John Charles Hughes, 2017 Korea 65 the Forgotten War Remembered features thirteen personal stories from Washingtonians whose lives were affected by the Korean War **The Forgotten War ... Remembered** Berry Craig, 1993

The "forgotten" War Remembered Joon Ho Hwang, 2006 The Forgotten War Remembered, Korea, 1950-1953 Hwa-bong Sin, 1996 **Remembered Prisoners of a Forgotten War** Lewis H. Carlson, 2002-04-18 Debunking common myths about American POWs during the Korean War the author sheds new light on the true life experiences of veterans of the conflict **Remembering the Forgotten War** Philip West, Suh Ji-moon, Donald Gregg, 2015-02-12 In contrast to the many books that use military diplomatic and historic language in analyzing the Korean War this book takes a cultural approach that emphasizes the human dimension of the war an approach that especially features Korean voices There are chapters on Korean art on the war translations into English of Korean poetry by Korean soldiers and American soldier poetry on the war There is a photographic essay on the war by combat journalist and Pulitzer Prize winning photographer Max Desfor Another chapter includes and analyzes songs on the Korean War Korean American and Chinese that illuminate the many complex memories of the war There is a discussion of Korean films on the war and a chapter on Korean War POWs and their contested memories More than any other nonfiction book on the war this one shows us the human face of tragedy for Americans Chinese and most especially Koreans June 2000 was the fiftieth anniversary of the outbreak of the Korean War this moving volume is intended as a commemoration of it The Korean War Remembered Michael J. Devine, 2023-08 Michael J Devine provides a fresh wide ranging and international perspective on the contested memory of the 1950 1953 conflict that left the Korean Peninsula divided along a heavily fortified demilitarized zone His work examines theaters of memory including literature popular culture public education efforts monuments and museums in the United States China and the two Koreas to explain how contested memories have evolved over decades and how they continue to shape the domestic and foreign policies of the countries still involved in this unresolved struggle for dominance and legitimacy The Korean War Remembered also engages with the revisionist school of historians who influenced by America s long nightmare in Vietnam consider the Korean War an unwise U S interference in a civil war that should have been left to the Koreans to decide for themselves As a former Peace Corps volunteer to Korea a two time senior Fulbright lecturer at Korean universities and former director of the Harry S Truman Presidential Library Devine offers the unique perspective of a scholar with half a century of close ties to Korea and the Korean American community as well as practical experience in the management of historical institutions The Forgotten War ... Remembered Berry Craig, Korean War Veterans Association Staff, 1990 I Remember Korea Linda Granfield, 2004 While current events have focused the public s attention on Korea once again many veterans of the conflict that occurred there half a century ago worry that their time spent fighting in the Forgotten War will not be remembered or understood unless their story is told Award winning nonfiction author Linda Granfield has collected

the personal accounts of 32 men and women who served with the Canadian and U S forces in Korea during the years 1950 53 and has described the main events of the war The veterans in this book represent different branches and aspects of the military including medical supplies infantry and naval Their moving sometimes graphic recollections are illustrated with their own photographs As commemorative ceremonies this year mark the 50th anniversary of the end of the Korean War attempting to understand the human face of war is more important than ever **Korea** James Hollis,2008-10 Although it has been many years since my service in the Military and it was for only two years it was an important period of my life I learned a lot in those two years that has helped me throughout my life In the effort to write this book it has taken me back in time reviving memories of old friends and things that have happened I have tried to write of things I consider important I have been fortunate to have lived long enough to become a old man I know it was just by the luck of the draw that I was put where I was I never volunteered for anything nor did I try to get out of any order given to me I am well aware I could have been put in the infantry instead of the artillery where I did my time in the intelligence section Most of the time a soldier happens to serve in duties he has no control over This book has been written as much for my family and friends as for the general public I hope all who takes the time to read what I have written will gain knowledge regarding the Korean War and also my story is just one of the thousands of stories of young men who served their country at this time For us the veterans and our families IT WILL NEVER BECOME THE FORGOTTEN WAR REMEMBER THIS FREEDOM IS NOT FREE
