The Forsaken Son Trials Of Grace:

The Forsaken Son Eric De'Loach, 2005-02-01 This novel is about Canadians of Czech background it says much both about the immigrant experience in Canada a country mostly peopled by immigrants and about life in Prague Czech Republic This book explores Prague from a different angle than the viewpoint of the young expatriates who went there in the 1990s This Prague as the New 1920s Paris theme is what most authors writing in English about the Czech Republic now focus on In this novel the themes are rather faith belonging and the strong cultural tension between the Old World and the New as well as a sense of dual identity The main character and narrator is Richard Zweimann who lives in Toronto in 1998 but has Czech heritage from his mother who was Jewish and left Prague in 1937 The secondary narrator is Jiri Novak born Czech but also something else he is dark skinned and often taken to be Romany Gypsy The dualism and contradiction at the heart of the human character is expressed vividly as a result of their perspectives producing a finely woven and thoughtful novel

Rage of Angels ERIC DE'LOACH, 2024-06-30 In *Rage of Angels* Victor Mason a dedicated policeman walks the thin line between the mundane and the divine Unbeknownst to him he is a descendant of celestial deities with an uncle who commands the dark realms as the devil Victor's life is upended when he must become Astrius a powerful deity destined to confront an ancient and formidable foe the Anunnaki Gods Thrust into a celestial war that jeopardizes the fate of humanity Astrius embarks on a perilous journey into the depths of hell Here he seeks to tap into the overwhelming darkness within a legacy of his devilish kin This dark power both seductive and corrupting transforms him unleashing unbridled and terrifying power In the fiery pits of hell Astrius wields his newfound power with a harsh judgement that eclipses his divine duty As he succumbs to the intoxicating lure of absolute power he becomes the embodiment of the very rage of angels Faced with the wrath of his godly parents Astrius must confront the consequences of his actions Has he become the savior of humanity or its inadvertent destroyer *Rage of Angels* is a gripping narrative of divine conflict moral ambiguity and the eternal battle between light and darkness It challenges the reader to question whether the ends can ever truly justify the means in the precarious balance of power

In Harm's Way ERIC DELOACH, 2024-10-06 Malice Collissimo a seasoned Navy SEAL with an illustrious career is thrust into an early retirement following a harrowing personal tragedy His wife Kyra and their unborn child are brutally killed during a carjacking Left to raise his infant son Devin alone Malice tries to leave his violent past behind His life takes another turn when his old football coach Ken Craft now the police chief of Maple Grove persuades him to join the police department Malice excels in his new role rapidly climbing the ranks from officer to lieutenant but beneath his badge he harbors a dark secret he is the estranged son of Michael Collissimo a notorious crime boss a fact obscured by his own racial identity Tragedy strikes again when Devin is killed during a botched bank robbery shattering what remains of Malice's world Despite his grief Malice returns to work a year later and is assigned to train rookie police officer Dana McFarland Unknown to Malice McFarland is an undercover FBI agent investigating Malice's potential ties to the Collissimo

crime family As Malice begins to reclaim his life his fragile peace is destroyed when his estranged parents attempting to reconcile are savagely attacked in a public park resulting in his mother s death Malice makes a promise to his mother on her deathbed that propels him into a relentless quest for vengeance Driven by grief and growing suspicion Malice discovers evidence linking a trusted friend and ally to the orchestrated attacks on his family aimed at leveraging his underworld connections to control the city s crime rings With betrayal and bloodshed haunting him at every turn Malice reunites with his former SEAL team to get proper justice Together they embark on a relentless hunt through a labyrinth of corruption and violence involving members of the police department and the criminal underworld Their mission leads Malice to an eventual showdown leading to him extracting brutal vengeance on those responsible In a grim conclusion Malice achieves his revenge but at a great personal cost he is sentenced to prison becoming an influential figure in the criminal hierarchy Even behind bars his influence grows awaiting a possible release that could unleash his renewed influence on the city In Harm s Way is a relentless thriller and riveting tale of loss betrayal and vengeance exploring the depths of human resilience and the consequences of a justice pursued at any cost

The Forsaken Sons (Book 1 of 13) Anis Meah,2025-05-25 When war tears families apart love becomes both salvation and curse In a world ravaged by endless conflict fourteen year old Kiran will do anything to protect his younger brother Malik But when a moment of defiance separates them both boys are thrust onto paths that will reshape their souls forever Kiran finds power beyond imagination in the golden staff of an ancient Primordial transforming from desperate survivor to legendary warrior Meanwhile Malik discovers that sometimes the greatest strength comes not from magical artifacts but from the bonds we forge with those who choose to love us As years pass and the brothers grow into men their searches for each other become journeys of transformation One builds an empire of the lost and broken turning pain into purpose The other finds healing in service and love until betrayal strips away everything he holds dear But cosmic forces have been watching waiting shaping their destinies toward a reunion neither expects When gods play games with mortal lives even the strongest bonds can become chains and sometimes the greatest act of love is learning when to let go *The Forsaken Sons* Where brotherhood transcends death power demands sacrifice and the price of reunion may be higher than either brother can bear to pay
