Antecedents And Effects

Tom Scott

The French Descent Into Renaissance Italy 1494 95 Antecedents And Effects:

The French Descent Into Renaissance Italy, 1494-95 David Abulafia,1995 This work questions the assumption that the French invasion of Italy under Charles VIII in 1494 95 inaugurated a new and wretched era in Italian history It focuses anew on the intricate politics of Renaissance Italy and the long history of Angevin attempts to impose their rule in Southern Italy

The French Descent Into Renaissance Italy, 1494-95 David Abulafia,1995 Collecting Art in the Italian Renaissance Court Leah R. Clark,2018-06-28 This book presents a new perspective on the Italian Renaissance court by examining the circulation collection and exchange of art objects *Communes and Despots in Medieval and Renaissance Italy* John E. Law,2016-12-05 Building on important issues highlighted by the late Philip Jones this volume explores key aspects of the city state in late medieval and Renaissance Italy particularly the nature and quality of different types of government It focuses on the apparently antithetical but often similar governmental forms represented by the republics and despotisms of the period Beginning with a reprint of Jones s original 1965 article the volume then provides twenty new essays that re examine the issues he raised in light of modern scholarship Taking a broad chronological and geographic approach the collection offers a timely re evaluation of a question of perennial interest to urban and political historians as well as those with an interest in medieval and Renaissance Italy War and the World Jeremy Black,2008-10-01 In this brilliant history of warfare Jeremy Black is the first to approach the entire modern era from a comprehensive global perspective He provides a wide ranging account of the nature purpose and experience of war over the past half millennium and argues the importance of viewing the rise of European power within a wider international context Investigating both land and sea warfare Black examines weaponry tactics strategy and resources as well as the political social and cultural impact of conflict The book takes issue with established interpretations not least those that emphasize technology and challenges the view that European military and naval forces were dominant throughout the period European mastery at sea did not always translate into equivalent success on land says Black and many non European military systems the Ottomans in their expansionist years Babur and the Mughals in sixteenth century India and the Manchu in China in the following century for example were formidable in their own right The author contends that in the nineteenth century the focal period of Europe s military revolution the international military balance shifted decisively Black shows how military developments combined with political economic and ideological shifts influenced the nature and success of European imperialism Linking debates on early modern history with those of more recent centuries he offers a fundamental reexamination of the role of war in the progress of nations **The City-State in Europe, 1000-1600** Tom Scott,2012-02-09 No detailed comparison of the city state in medieval Europe has been undertaken over the last century Research has concentrated on the role of city states and their republican polities as harbingers of the modern state or else on their artistic and cultural achievements above all in Italy Much less attention has been devoted to the cities territorial expansion why how and with what consequences cities in

the urban belt stretching from central and northern Italy over the Alps to Switzerland Germany and the Low Countries succeeded or failed in constructing sovereign polities with or without dependent territories Tom Scott goes beyond the customary focus on the leading Italian city states to include for the first time detailed coverage of the Swiss city states and the imperial cities of Germany He criticizes current typologies of the city state in Europe advanced by political and social scientists to suggest that the city state was not a spent force in early modern Europe but rather survived by transformation and adaption He puts forward instead a typology which embraces both time and space by arguing for a regional framework for analysis which does not treat city states in isolation but within a wider geopolitical setting **Vauban Under Siege**

Jamel Ostwald,2007 Vauban under Siege is the first systematic comparison of the theory of Vaubanian siegecraft with its reality contrasting military engineering s pursuit of the efficient siege with generals contradictory search for rapid conquest purchased at the cost of additional lives The Artillery of the Dukes of Burgundy, 1363-1477 Robert Douglas Smith,Kelly

DeVries,2005 A major new exploration of the history and development of gunpowder weapons in the 15th century based on the artillery of the Dukes of Burgundy The four Valois Dukes of Burgundy created in little more than a century a fabulously wealthy and independent state Their centralised control and chancellery have bequeathed to us a vast treasure trove of documents including accounts and inventories of the Masters of the artillery under the later Dukes Although many of these were extracted and transcribed in the late nineteenth century modern historians have largely ignored their unprecedented insights into fifteenth century guns and their use When Charles the Bold the last Valois Duke took on the combined Swiss confederate forces in 1476 he lost not just the battles and his personal fortune but much of his artillerytrain as well Of the dozens of cannons captured at least 25 pieces survive in Swiss museums The documents that survive from the Valois state give us almost for the first time in medieval Europe the ability to see the course of history in a period when Europe was undergoing some of the most profound changes before the 20th century The Artillery of the Dukes of Burgundy is the first attempt to combine all these sources bringing newand fresh insights into the development and use of artillery in the fifteenth century Moreover this is the first modern study of medieval cannon one of the most important discoveries of the post classical world KELLY DeVRIES has authored numerous books and articles on medieval warfare ROBERT DOUGLAS SMITH formerly Head of Conservation in the Royal Armouries Tower of London is an acknowledged expert on medieval artillery This study is thefirst major fruit of their combined researches *The Risorgimento Revisited* S. Patriarca,L. Riall,2011-12-16

Bringing together the work of a ground breaking group of scholars working on the Italian Risorgimento to consider how modern Italian national identity was first conceived and constructed politically the book makes a timely contribution to current discussions about the role of patriotism and the nature of nationalism in present day Italy **New Approaches to Naples c.1500-c.1800** Helen Hills,2016-04-22 Early modern Naples has been characterized as a marginal wild and exotic place on the fringes of the European world and as such an appropriate target of attempts by Catholic missionaries and others

to civilize the city Historiographically bypassed in favour of Venice Florence and Rome Naples is frequently seen as emblematic of the cultural and political decline in the Italian peninsula and as epitomizing the problems of southern Italy Yet as this volume makes plain such views blind us to some of its most extraordinary qualities and limit our understanding not only of one of the world's great capital cities but also of the wider social cultural and political dynamics of early modern Europe As the centre of Spanish colonial power within Europe during the vicerealty and with a population second only to Paris in early modern Europe Naples is a city that deserves serious study Further as a Habsburg dominion it offers vital points of comparison with non European sites which were subject to European colonialism While European colonization outside Europe has received intense scholarly attention its cultural impact and representation within Europe remain under explored Too much has been taken for granted Too few questions have been posed In the sphere of the visual arts investigation reveals that Neapolitan urbanism architecture painting and sculpture were of the highest quality during this period while differing significantly from those of other Italian cities For long ignored or treated as the subaltern sister of Rome this urban treasure house is only now receiving the attention from scholars that it has so long deserved This volume addresses the central paradoxes operating in early modern Italian scholarship It seeks to illuminate both the historiographical pressures that have marginalized Naples and to showcase important new developments in Neapolitan cultural history and art history Those developments showcased here include bot

Getting the books **The French Descent Into Renaissance Italy 1494 95 Antecedents And Effects** now is not type of inspiring means. You could not only going gone books collection or library or borrowing from your friends to gain access to them. This is an completely simple means to specifically get guide by on-line. The French Descent Into Renaissance Italy 1494 95 Antecedents And Effects Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The French Descent Into Renaissance Italy 1494 95 Antecedents And Effects PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The French Descent Into Renaissance Italy 1494 95 Antecedents And Effects PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The French Descent Into Renaissance Italy 1494 95 Antecedents And Effects free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
