The Friendly Persuader And Other Stories:

The Friendly Persuader Shaindel Weinbach,1990 **The Friendly Persuader and Other Stories** Shaindel Weinbach,1990-11-01 Delightful true tales from around the globe and through the centuries retold by Shaindel Weinbach beautifully illustrated by Yosef Dershowitz A Consuming Faith Susan Curtis,2001 In A Consuming Faith Susan Curtis analyzes the startling convergence of two events previously treated independently the emergence of a modern consumer oriented culture and the rise of the social gospel movement By examining the lives and works of individuals who identified themselves as social gospelers rather than just groups or individuals who fit a particular definition Curtis is able to capture the very fluidity of the term social gospel as it was used In addition to exploring the time in which the movement took shape Curtis provides biographical sketches of traditional figures involved in various aspects of the social gospel movement such as Walter Rauschenbusch Washington Gladden and Josiah Strong alongside those of less prominent figures like Charles Jefferson Elizabeth Stuart Phelps and Charles Macfarland Going beyond their roles in the movement Curtis shows them to be sons and daughters husbands and wives and workers and citizens who experienced the vast changes in their world wrought by industrialization and class conflict even as they sought to define a meaningful religious life The result of their quest was a redefinition of Protestantism that contributed to an evolving public discourse and culture This groundbreaking study now with a new preface by Curtis provides an illuminating look at culture and religion as interdependent influences and treats religious life as an integral part of American culture not a sacred world apart from the secular A Consuming Faith will be of interest to anyone who strives to understand not only the social and cultural history of America in the late nineteenth and early twentieth centuries but also the origins of modern America SOCRATES Sara Setayesh,Muhammad Yar Tanvir,Dr Ali Usman Saleem,Maftouni Nadia,Mahmoud Nuri,Smrutipriya Pattnaik,C Upendra,Lidija Kovacheva,2018-08-23 This issue of SOCRATES has been divided into two sections The first section of this issue is English Literature The first paper of this section has been authored by Sara Setayesh This paper reviews Blasted the first play by the British author Sarah Kane The paper analyses the Ian and Cate s psychological behavior and their romantic relationship portrayed in the play as important implications for psychoanalytic criticism The second paper of this section has been authored by Muhammad Yar Tanvir and Dr Ali Usman Saleem It evaluates the power privilege or right enjoyed by the men in Pakistani Patriarchal society as reflected in Attar of Roses and Other Stories of Pakistan a collection by Tahira Naqvi The objective of this paper is to pinpoint the social and political position of patriarchal society through which woman subjugation by men becomes a power a privilege or a right to be exercised Radical Feminism will serve as a theoretical and conceptual framework for the apt exploration of the problematic The second section of this issue is Philosophy The first paper of this section has been authored by Maftouni Nadia and Mahmoud Nuri It analyses the Farabi s philosophy utopia and concluded that the public is not used to implement their rational faculty and they cannot perceive the rational happiness directly So the rational happiness should be presented

to their imagination and thus the artist of the utopia makes images of the rational happiness using sensible and imaginary forms The second paper of this section has been authored by Smrutipriya Pattnaik and C Upendra The paper critically addresses the fall narrative of the narrative of the failure of the communist experiment It claims that if the idea of return to socialism makes no sense equally is senseless the triumphalism debate of liberal capitalism The third paper of this section has been authored by Lidija Kovacheva This paper provides a comparative interpretation of the Ancient Greek image of Hermes as a mythological figure with the image of Archangel Michael as a highly revered Orthodox saint in modern Macedonian society The goal of this research is to show the similarities and the differences between these two characters and how these images are understood today in modern society
