Richard English

Sinn Féin And Socialism Irish Socialist Historical Reprints:

Sinn Féin & Socialism James Connolly, 1977 **Sinn Féin and the Politics of Left Republicanism** Eoin Ó Broin, 2009-02-20 Sinn Féin is a growing force in Irish politics Now the country's third largest party Sinn Féin have been one of the central architects of the peace process and are increasingly setting the terms of political debate in Ireland north and south Despite this the party remains much misunderstood and often misrepresented Sinn Féin and The Politics of Left Republicanism explores the ideological and organisational origins of the party charts their history and recent political development and assesses their possible futures Eoin O Broin argues that Sinn Féin is part of a distinct left republican tradition in Irish society whose future lies in the globally resurgent radical democratic left [History of the Sinn Féin Movement and the Irish Rebellion of 1916](#) Francis P. Jones, 1917 Sinn Féin Gaelic for We Ourselves was founded to promote the cultural revival and political independence of Ireland History of the Sinn Féin Movement and the Irish Rebellion of 1916 is a detailed history of the movement written by Francis P Jones a former member of the movement who had immigrated to the United States from Ireland The book covers the period from the founding of Sinn Féin in Dublin in 1905 to the Easter Rising of April 1916 It deals with the economic cultural religious and political aspects of Irish independence as well as the twists and turns of British policy and the debates in Parliament over Home Rule More than half of the book is a detailed account of the Easter Rising based on documentary sources and the first hand accounts of men involved in the fighting who had fled to the United States The final chapters deal with the aftermath of the uprising including the trial and execution of its leaders A chapter on the Women of the Nation is by the author's wife to whom the book is dedicated The introduction is by John W Goff 1848 1924 an immigrant from Ireland who was prominent in New York as a lawyer and judge The appendix Ireland's Roll of Honor contains a complete list of the names of the men killed in the fighting of April 1916 and of those sentenced to penal servitude hard labor or prison The appendix concludes with details of the numbers of men deported and jailed without trial **Historical Basis of Socialism in Ireland** Thomas Brady, 1919 **In the shadow of history** Agnès Maillot, 2024-06-04 From 1926 onward Sinn Féin which had been instrumental in the revolutionary period of 1919 23 faded into oblivion This book unravels a chapter of history that has not been dealt with in detail until now although the operation of the party raises fundamental questions on issues such as democracy and the role of history in the construction of a national narrative Through a close analysis of newspaper reports fortnightly Standing committee minutes and interviews carried out by the author it looks at the manner in which the party operated and put itself forward as the guardian of Republicanism in Ireland The book offers a valuable insight into the meaning of Republicanism and its narrative represents an integral part of the political and social fabric of contemporary Irish society which will be of relevance to academics and to all readers with an interest in Irish republicanism **The Lost Revolution** Brian Hanley, Scott Millar, 2009-09-03 The story of contemporary Ireland is inseparable from the story of the official republican movement a story told here for the first time from the clash

between Catholic nationalist and socialist republicanism in the 1960s and 70s through the Workers Party's eventual rejection of irredentism. A roll call of influential personalities in the fields of politics, trade unionism and media, many still operating at the highest levels of Irish public life, passed through the ranks of this secretive movement which never achieved its objectives but had a lasting influence on the landscape of Irish politics. A vibrant, balanced narrative. *Diarmaid Ferriter* Irish Times Books of the Year. An indispensable handbook. *Maurice Hayes* Irish Times. Hugely impressive. *Irish Mail* on Sunday. Excellent. Sunday Business Post. **A Short History of Ireland** John Ranelagh, 1994. An updated printing of John O'Beirne Ranelagh's history covering events to September 1998. *The Oxford History of British and Irish Catholicism, Volume IV* Carmen M.

Mangion, James Edward Kelly, John David McCafferty, Susan O'Brien, 2023. The fourth volume of Oxford History of British and Irish Catholicism provides an overview of the history of Catholicism in the four nations of the United Kingdom of Britain and Ireland between 1830 and 1913 and demonstrates how Catholics in both islands participated in national, European and global cultures. [The British Left and Ireland in the Twentieth Century](#) Evan Smith, Matthew Worley, 2021-05-12. This collection

explores how the British left has interacted with the Irish question throughout the twentieth century: the left's expression of solidarity with Irish republicanism and relationships built with Irish political movements. Throughout the twentieth century the British left expressed to varying degrees solidarity with Irish republicanism and fostered links with republican nationalist, socialist and labour groups in Ireland. Although this peaked with the Irish Revolution from 1916 to 1923 and during the Troubles in the 1970s/80s, this collection shows that the British left sought to build relationships with their Irish counterparts in both the North and South from the Edwardian to Thatcherite period. However, these relationships were much more fraught and often reflected an imperial dynamic which hindered political action at different stages during the century. This collection explores various stages in Irish political history where the British left attempted to engage with what was happening across the Irish Sea. The chapters in this book were originally published in the journal *Contemporary British History*. **The**

Routledge Companion to World History since 1914 Chris Cook, John Stevenson, 2006-01-27. The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History. Fully up to date, reliable and clear, this volume is the indispensable source of information on a thorough range of topics such as the Arab-Israeli conflict, anti-Semitism and the Holocaust, all the world's major famines and natural disasters since 1914, whether all countries of the world have a king, president, prime minister or other governance, GNP of the world's major states year by year, biographies of key figures, civil rights movements, the Vietnam War, the rise of terrorism, globalization. Thematically presented, the book covers topics relevant from the First World War to the Iraq war of 2003 and from post-colonial Africa to conflicts and movements in Southeast Asia. With maps, chronologies and full bibliography, this user-friendly reference work is the essential companion for students of history, politics and international relations and for all those with an interest in world history.

Socialism in Thought and Action Harry Wellington Laidler, 1920 **James Connolly** Austen Morgan, 1989 **Red**

Terror and Green Richard Dawson,1920 Political Ideology in Ireland Olivier Coquelin,Patrick Galliou,Thierry Robin,2020-10-27 First delivered as part of an international conference held at Brest University in November 2007 under the aegis of the Centre de Recherche Bretonne et Celtique CRBC this collection of essays essentially aims at interrogating history in order to better understand the political and ideological complexity of early XXIst century Ireland This complexity reflects in many respects Ireland s uniqueness among the Western European nations Some of the multiple persuasions within the gamut of Irish political ideology from the Enlightenment to the present are thus explored from diverse angles of approach dialectical taxonomic theoretical practical individual collective and through a diverse range of disciplines human sciences political science social sciences literature philosophy and art history and themes from Jonathan Swift s rhetorical complexity to the evolution of Irish republicanism after 9 11 including the reassessment of Daniel O Connell s political ideology Owenism in Ireland Oscar Wilde s socialistic ideology the ideological development of the Republican and Loyalist prisoners This unique collection of essays far from being a static historiographical description provides food for thought and sheds light on the fascinating ambivalent dynamics lying at the heart of the building process of a modern nation resulting from the aggregate of individual will collective ideals and Zeitgeist The impressive variety of issues raised by authors of diverse origins United States Ireland Britain France including leading experts in the above mentioned areas Richard English Robert Mahony Jonathan Tonge Kieran Allen John Sloan Christopher Murray Vincent Geoghegan therefore widely contributes to the fact that the present book will be intellectually stimulating and enlightening at least as an introduction for all the students and scholars of Irish studies and other related disciplines *Does Terrorism Work?* Richard English,2019-02-21 Terrorism is one of the most significant security threats that we face in the twenty first century Not surprisingly there is now a plethora of books on the subject offering definitions of what terrorism is and proffering advice on what causes it and how states should react to it But one of the most important questions about terrorism has until now been left remarkably under scrutinized does it work Richard English now brings thirty years of professional expertise studying terrorism to the task of answering this complex and controversial question Focussing principally on four of the most significant terrorist organizations of the last fifty years al Qaida the Provisional IRA Hamas and ETA and using a wealth of interview material with former terrorists as well as those involved in counter terrorism he argues that we need a far more honest understanding of the degree to which terrorism actually works as well as a more nuanced insight into the precise ways in which it does so Only then can we begin to grapple more effectively with what has become one of the most challenging and eye catching issues of our time **The New Larned History for Ready Reference, Reading and Research** Josephus Nelson Larned,1923 A Dictionary of British History John Ashton Cannon,2009 A Dictionary of British History offers more than 3 800 authoritative entries written by more than 100 specialists Now completely revised and updated it describes the people and events that have shaped political social and cultural life in Britain since 55 B C Here in a miracle of compression are articles that define Robin Hood

and Gerry Adams Black Death and Terrorism Dunkirk and Wembley Stadium Winston Churchill and Gordon Brown Who was the first King of England Who negotiated Indian independence How long did the Hundred Years War last All the answers can be found in this handy reference work covering more than 2 000 years of people events places and changes This edition includes a timeline and an appendix of recommended web links that provide extra information accessible through the Dictionary of British History companion website where they are kept up to date [James Joyce and the Question of History](#) James Fairhall,1995-11-09 Explores James Joyce s work as a response to developments in British and European history

Armed Struggle Richard English,2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela s Ashes *Books Ireland* ,1992
