Sioux Captive Jon Sharpe,1986 When bloodthirsty Indians in the Dakota Territory went on the warpath Skye Fargo nearly died with a Sioux arrow in his back Now the Black Hills swarmed with a dozen organized tribes led by a crazed West Point trained cavalry officer intent on death and destruction With the army providing protection and Skye acting as scout it was just barely possible that a wagon train from Ft Leary would survive a trek through the Dakotas But with one or another dark haired beauty working overtime to make his pulse race Skye needed an extra measure of his trailsman s instincts to outlast and outthink the murderous White Savage If the wagons and the fort itself were destroyed then the fury of this madman who fancied himself the Ghengis Kan of the Great Plains would be unleashed on the rest of the country **Narrative of My Captivity Among the Sioux Indians** Fanny Kelly,2018-02-27 *Narrative of My Captivity Among the Sioux Indians* Fanny Kelly,2023-07-18 First published in 1871 this book is the harrowing account of Fanny Kelly s five months of captivity at the hands of the Sioux Indians in 1864 The book also includes a brief account of General Sully s Indian Expedition which provides context for the events of Kelly s captivity This memoir offers a first hand account of the experiences of a white woman among the Sioux and sheds light on the complexities of race and culture in the American West during the 19th century This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
