This title updates the last edition of *Romance Fiction: A Guide to the Genre* published in 1999. Little did I know how literally I would mean obeying. Stefan tells me what to do and I do it. There are questions asked but I always submit. In the end it would hurt less if I hadn't started falling for him. It was supposed to be pretend. But the secrets we now share are too real and they're crumbling every piece of who I thought I was. If only Stefan was the man I thought he was. If only I weren't so powerless. But there's one thing I have that he wants. My body. And I'll do anything it takes to right the wrongs I've discovered.
