in perhaps one of the most boring brain numbing federal legal jobs one can possibly imagine but it s inside work no heavy lifting and the pay is pretty good too Finally Derrick relaxes satisfied with who he and where he is Life reaches a comfortable working rhyme Both daughters are in college After many down years he is finally setting aside some extra money for retirement Life is good that is right up to the very moment that a group of jealous federal supervisors and co workers ban together forcing him to accept a forced early retirement Now having abundant free time Derrick travels the world begins a get out of debt project and ponders how he got to here In doing all of this he constantly runs into the ghosts of his past most of which is rooted in his ill fated youth spent growing up in a Catholic Orphanage which he facetiously nicknames The Happy Farm Within the realm of his forced retirement and even as life s ghosts taunt him Derrick finds that truth and hindsight are not necessarily friends but with enough time and grit he finds that by accepting his past he can finally accept his present and in doing so he finally says good bye to all the enemies all the friends and all the ghosts that haunt him as the sun sets over The Happy Farm
