

Slave Ship From Sergan

Julia Schneider

Slave Ship From Sergan:

Slave Ship from Sergan Gregory Kern,1973 **Slave Ship from Sergan** Gregory Kern,1976 **Slave Ship from Sergan** E.C. Tubb,2011-09-29 HUMAN VS INHUMAN To the reptilian mind especially the intelligent type of planets like Sergan and Obrac the lives of others were as nothing to the need for status To the feline mind especially to the clever advisor of the master of Sergan the agonies of others were not only of no consequence they could even be a source of joy So when these two types of inhuman intelligences got together to defy the Terran orders against interplanetary kidnapping space hijacking and human slavery it was definitely a case for a top notch secret agent Because Earth could not afford a showdown with more than one alien species at a time The secret agent was Cap Kennedy Free Acting Terran Envoy and his pursuit of the SLAVE SHIP FROM SERGAN turned out to be one of his most dangerous single handed adventures Haven of Darkness E.C. Tubb,2011-09-29 As guardian of the Universe s freedom from the domination by the Cyclan Earl Dumarest is ruthlessly hunted by their agent Cyber Broge as he searches for the fortune necessary to finance his epic quest for Terra the planet of his birth Hunter and fugitive predator and victim Earl Dumarest lands on the planet Zakym ZAKYM a cadaverous twin sunned world where the spectres of the dead daily claim the lives of the living a decadent world that threatens to explode with the unparalleled violence of civil war and broken taboos ZAKYM home of the beautiful haunted Lavinia whose soul is claimed and condemned by a power crazed madman Both Lavinia and her planet are doomed until a man appears who promises to be their saviour Dumarest is the only person capable of challenging the terrifying menace of the Cyclan and the terrors of Zakym But can even he triumph against such foes First published 1977 The Extra Man E.C. Tubb,2011-09-29 There were two Rosslyn the pilot and Comain the dreamer Rosslyn died in space frozen preserved for two centuries until found and resurrected by a miracle of future surgery Comain Comain remained on Earth and crystallised his dreams and when Rosslyn returned he found a civilisation beyond his wildest imaginings Women ruled the planet guided solely by the automatic and relentless predictions of a tremendous and frightening machine A machine that foretold the future and determined the actions of an entire world with devastating accuracy Into this assured and new civilisation Rosslyn came and the impact of his presence brought near chaos He had to be assimilated or eliminated **Death is a Dream** E.C. Tubb,2011-09-29 Britain years after the Debacle and a new London has risen phoenix like from near the ashes Though Londoners have retained their physical purity through the ruthless destruction of generations of mutants man is no longer the same and society crueller Cynicism and a whole hearted recognition of the absolute power of money has replaced humanism and a belief in reincarnation has replaced religion and the old moral code of doing unto others The individual can exist has a right to exist only if he is selfish Death is a Dream is the story of three survivors from the twentieth century who awake from suspended animation in The Cradle to find themselves unemployable and unfit to live by virtue of their commitments to out dated ideals As well as being an investigation of the form society may take after an atomic war it is by

association an indictment of society as it is now Future and Fantastic Worlds Sheldon Jaffery,1987-01-01 Future and Fantastic Worlds embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool **Alien Dust** E.C. Tubb,2011-09-29 ALIEN DUST relates the first thirty five years of the colonization of Mars It is a poignant story of Man against Nature No individual hero or heroine marches steadily through its pages There is no triumphal ending only faint hope Instead against a background of the shifting red sands of a planet unfit for human habitation emerges the grim picture of pioneer men and women pitting their courage wits and even lives against the biggest enemy in the Solar System an alien planet Rich and warm in human emotion ALIEN DUST is one of those rare science fiction stories which presents Man in his true perspective as the intruder Science Fiction and Fantasy Literature R. Reginald,Douglas Menville,Mary A. Burgess,2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index The Dumarest eBook Collection E.C. Tubb,2012-11-30 This collection brings together the first six titles in E C Tubb s epic SF saga Dumarest containing The Winds of Gath Derai Toyman Kalin The Jester at Scar Lallia The Luck Machine E.C. Tubb,2011-09-29 We talk of good luck and bad luck We even wear some of us good luck charms and we tend to select certain lucky numbers if we enter a raffle No Norman you can t tell me that we don t acknowledge the existence of something we call luck The world indeed the Universe is surrounded by intangible energies of which man has at present only the vaguest notions Electricity is such a force Magnetism gravitation all once unsuspected natural forces now known for the realities they are And so why not luck And once the possibility of luck being an actual force is recognised the next step is obvious a machine to harness its forces But if one man can attract the good luck someone somewhere is due for bad luck When the machine falls into the wrong hands the inventors begin to wish they d stuck to rabbits feet and black cats *Stellar Assignment* E.C. Tubb,2011-09-29 Trapped in the economic rat race of the 21st century Kevin Blake had little going for him but an over active imagination an attribute which brought him to the notice of Paul Trevainen who made Kevin an offer he couldn t resist On the face of it the assignment was simple to find the billionaire s daughter bring her back to Earth and collect a dazzling reward But Crystal was wilful stubborn and hard to find The quest forced Kevin to become an advocate in an alien court turned him into a hunter and made him the captive of giant money hungry frogs a rebel against established authority a fugitive a criminal and in general one of the most harassed young men ever to have longed for adventure Nature & Science on the Pacific Coast ,1915 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976 **Monster of Metelaze** E.C. Tubb,2011-09-29 Destiny awaits the world of Metelaze Mighty will be our future To us will come the races of

the galaxy To us will come the wealth of a universe Too long have we rested beneath the Terran heel Very soon now we shall strike off the chains of our oppressors Metelaze shall be free This sort of propaganda was always common among the demagogues of backward planets that had received help from Terra But Metelaze was different For there the promise held out was that secrets of the ancient pre galactic science were becoming available that an offer was being made that could not be refused To Cap Kennedy fell the task of finding out Were there really unknown scientific marvels available on Metelaze Who was behind these offers of total power and absolute wealth What in fact was the monster of Metelaze And how could such a monster out of time and space be stopped Slave Ship from Sergan Brenda Jackson,E. C. Tubb,Ronald L McDonald,1973-10-16 Argentis E.C. Tubb,2014-04-30 This colorful action packed space opera tells of rival factions including Earthmen and an enigmatic and fanatical Venusian who voyage through space in a race to find the derelict ship of an ancient civilization a Venusian Elder Race **The Quillian Sector** E.C. Tubb,2011-09-29 The Cyclan was the greatest concentration of intelligence in a thousand worlds and yet Earl Dumarest continued to elude it For too long Bochner was the greatest hunter of a hundred worlds a man more than wise to the wiles of beasts and men And now he was on the trail of the most dangerous and most challenging quarry of his career Earl Dumarest While Dumarest searched for lost Terra the Cyclan and Bochner searched for him Of all the nightmare worlds of the universe the hunt this time was to lead to the Quillian Sector The Quillian Sector the place where space goes mad First published 1978 The Galactiad E.C. Tubb,2011-09-29 The things from beyond the Milky Way galaxy found the intelligent races of our universe amusingly slight To them possessors of vast cosmic power the strivings of various humanoids to outdo each other were a source of contemptuous entertainment They established a contest between the worlds It would be an Olympiad of the whole galaxy a Galactiad Let these puny interstellar intelligences meet each other in contest Pit one against the other and let the losers beware Earth had its team a mixed group of powerful athletes and genius scientists Because other worlds did not always believe in the ideal of good sportsmanship they had to confront the reality Win at all costs or goodbye to humanity Stardeath E.C. Tubb,2014-01-30 Ships occasionally disappeared in hyperspace regrettable sacrifices to the luxury of faster than light travel But now one of the lost ships has been found and the wreckage is enough to terrify even the most cold blooded witness The lucky ones on the lost ship are dead The others have been turned inside out in gruesome parody of human beings and they are still alive The disgraced Captain Kurt Varl is chosen to command a suicide mission to discover the cause of these disasters The enemy is unknown and the only way Varl can solve the mystery is to use himself as bait

When somebody should go to the book stores, search establishment by shop, shelf by shelf, it is truly problematic. This is why we allow the book compilations in this website. It will utterly ease you to look guide **Slave Ship From Sergan** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections.
