Sleep Well Christine:

Sleep Well, Be Healthy, *Opposing Forces* Aldivan Teixeira Torres, 2025-10-31 *Opposing Forces* presents itself as an alternative to overcoming the great duality that exists in each one of us. How many times in life are we faced with situations in which both alternatives have favorable and unfavorable circumstances and the act of choosing one of them becomes true martyrdom. We must learn to reflect and think carefully about which the true path to be followed is and the consequences of that choice. Finally, we need to assemble the opposing forces of our lives and make them bear fruit. Thus, we can achieve a much desired happiness. As for the aspect of the book, we can say that it came from a cry that I heard in the cave of despair. This cry was the cause of all the adventures told in the book. Mission accomplished. I hope I have reached my goal, which is to make just one person dream. This is what I propose, even more now, since we live in a world full of violence, cruelty, and injustice. The opposing forces never again will be the same after its publication, and I cannot wait to start a new adventure together with readers who also intend to do so. The Author *Christine's Last Gift* Brad Humphrey, 2012-05-31 *Sleep Well, Christine* Alice Brennan, 1973-11-01 **Aristocrash** Ernestine Nicolussi Smyth, 2011-08-19 This novel includes a contemporary history with biographical and historical background. Love, struggle, and passion through war and peace. A thrilling adventure of good and bad times. Humorous and sad at the same time. The people and their destinies pass in front of the reader as if in a film, so vivid is the description in this book. The author presents a completely personal story of her family over five generations. I read this book, and I can truly say a huge undertaking and an enthralling read. Heide Reyer Textbook Tintenfass Zürich **Reign of Silence** Tony Martin, 2005-06 After the mysterious death of her parents, something inexplicable happens to Meredith Dubose, last descendant of an aristocratic Southern family. Is it psychological trauma? A true haunting in the family mansion? A demonic siege? *Two in a Bed* Paul C. Rosenblatt, 2012-02-01 Millions of adults sleep with another adult, but what does it mean to share a bed with someone else, and how does it affect a couple's relationship? What happens when one partner snores? Steals the sheets? Prefers to sleep in the nude? To address these and other questions, Paul C. Rosenblatt asked couples to describe the struggles, challenges, and achievements of their bed-sharing experiences. *Two in a Bed* includes interviews with more than forty bed-sharing couples as they candidly discuss winding down and waking up, cold feet and tucked sheets, who sleeps near the door and who gets pushed to the edge, snoring, spooning, sleep talking, sleep walking, and the myriad other behaviors we negotiate in falling asleep, staying asleep, and waking up each morning beside a partner. In addition to exploring the routines and realities of sharing a bed with another person, these interviews reveal important information about sleep relationships and American society, stressing the intricacy and importance of a previously unremarked activity. Rosenblatt's *Two in a Bed* shows that sleep should no longer be viewed solely as an individual phenomenon. *Evening Tryst: A World War 2 Romance* Shelley Munro, 2015-10-14 Summer 1940 Britain is at war, and her brave fighter pilots attempt to keep the enemy at bay. To escape horrid memories and her managing mother, Pamela Allison

leaves London and accepts a job from her aunt working in the family store in the village The last thing Pamela wants is a man especially one who reminds her of her brutal now deceased husband Enter Michael Stedman a Spitfire pilot based at the Biggin Hill airbase Depressed and a little drunk after the death of his best friend he doesn't expect to meet a beautiful woman but something about Pamela tempts him He's not looking for anything permanent since a pilot's life is fraught with danger just a little feminine company to take his mind off the war Kisses Caresses Walks in the moonlight London is under siege Bombs drop every night and the danger increases for everyone Michael and Pamela's relationship deepens and they become lovers but gossip and the past intrude and threaten to destroy everything including her good reputation **No One**

in a Million William Bond,2020-08-26 One Face in a Million is an entirely fictional story evolved over many years I began thinking about writing a story after I visited southern Africa in 1967 where my wife had been born and raised and was often called Mu Shangaaniana when she was young I began to formulate a story about a young gal who had been raised on a mission station in Mozambique She was anxious to leave Africa for America to have a more interesting life A plot began in my mind and I envisioned a striking gal to have a life that was quite amazing She would travel and fall in love meet notable people and experience a lot of success Would that prove to be satisfying During the years that followed I was privileged to travel to many places throughout the world so my story evolved in a way that readers could share in some of my traveling experiences My protagonist had to decide what was really important in her life Her story takes place across the span of a few decades therefore the story eventually developed into a series of five books which should be considered as one Because the title is One Face in a Million I knew her appearance would be of real interest I looked at images of several notable actresses of the past but the one that I preferred was of Merle Oberon Perhaps it would be just as well for any reader to formulate your own ideas of what my characters would look like Although this is a fictitious story I hope that it entertains those who choose to read it **Alphanauts** J. Brian Clarke,2012-10-09 After nearly fifty years in suspended animation a crew of human space explorers return to Earth only to discover a medical side effect that prevents them remaining on their home planet Now in a desperate bid for survival they must return to space and attempt to colonize an alien world under an alien sun *Illusion of*
