Sleep Eazzzi:

Roping Pandora's Box Daphne Bronwyn, 2006-03-01 Interior designer Madison Harper is positive she has her life under control. Her career is flourishing, her social calendar is full, and each night she falls asleep in her Brentwood condo overlooking the Los Angeles skyline. Her life is a far cry from the mercurial years she spent on her grandfather's ranch. Unfortunately, her predictable life is knocked off balance when her friend Beth requests Madison's help. What else can Madison do but return to the one place she swore never to set foot in again: Montana. Now Madison's days are filled with a massive renovation project; her dreams are haunted by the past, and her future happiness depends on taking a risk with sexy Ryder Templeton. The catch: after a childhood absent a mother and a bitter broken engagement, Ryder prefers his life without the emotional dependency of relationships. Madison's only chance is to convince Ryder that faith in others is worth the gamble, even if it means confronting her own dark past.
