J. Crigler, 2015-08-15 It's Sleepy Time IST is a bedtime story that can be read by a child or an adult to a child It's Sleepy Time is a poem that is soothing for children ages 3-10 and also some adults Once Upon a Bedtime Oludotun Coker, 2023-02-16 Welcome to 10 Delightful Bedtime Stories to Soothe Your Little One to Sleep This book is a collection of charming and enchanting bedtime stories that are designed to help children drift off to sleep with a sense of comfort and ease Each of the stories in this book is crafted with care and attention to detail creating a magical and peaceful world that young readers will love to explore during storytime Bedtime stories for kids can be a challenging time for both children and parents Children can have trouble settling down after a long day while parents may feel exhausted and overwhelmed The stories in this book aim to create a calm and restful atmosphere providing a gentle and peaceful transition to sleep By engaging children with characters they can relate to and stories that spark their imaginations this book offers a fun and comforting way to end the day Whether you're looking for soothing bedtime stories magical bedtime stories or calming bedtime stories this book has something for everyone So snuggle up with your little one and enjoy storytime with these delightful stories that are perfect for kids bedtime stories children's sleep stories and nighttime stories for kids Turn off the lights and let these sleep time stories for kids soothe your child to sleep The Dreaming House Caroline Moretto, 2018-03-23 A fun bedtime story about a late night sleepover at a playful Granny's house Excerpt The kids sat sad on their sleeping bags with their arms crisscrossed as their heads wigwagged We don't want to go to sleep We don't want to go to bed We don't want to close our eyes said the sleepy heads Could you read a book Maybe two or three Could you tell a tale til we fall to sleep The wishing tree is in dreamland somewhere and meeting there after falling to sleep is something anyone that's had a great time there the night before won't remember That's just the way it is in dreamland As parents and grandparents know convincing a child to go to sleep is exhausting Adults that arm themselves with fun bedtime stories increase the odds of getting at least a half night's sleep Combining great bedtime stories with promises of continued fun increase sleep time dramatically or at least a little bit

With the right bedtime story book in hand adults can expect to get at least one more glorious full hour of one eye open sleep per night Caroline also known as Grandma Doe has tested this theory She can confirm that after reading her new book The Dreaming House to her grandkids before bedtime she s gotten at least 4 hours of sleep IN A ROW on the nights that they ve had sleepovers It should be noted though that Grandma Doe has always gotten less sleep than her grandkids no matter which stories have been read to them at bedtime Sometimes grandkids are not at fault for staying up past bedtime Like many fun loving Grannies out there Grandma Doe often gets redirected by the parents of her grandkids for her reluctance to end the playing and to just go to sleep Often Grandma Doe s grandkids head out to dreamland well before she is ready to be done playing Grandmas are just that way sometimes
