Stefan Żeromski, 2024-03-26 Although he was nominated for the Nobel Prize in literature four times Stefan Żeromski s work is not as widely known outside Poland as it should be Thus this elegant translation is most welcome A beautiful prescient story Celia Jeffries author of Blue Desert The first contemporary English edition of a Polish masterpiece Beautifully translated by Stephanie Kraft this new edition includes an Introduction by Jennifer Croft and Boris Dralyuk Tomasz Judym was born in a slum in Warsaw Against all odds he has become a doctor and he finds that his driving motivation to treat disadvantaged people like those he grew up with is at odds with the expectations of his peers He sees the unhealthy working and living conditions of the working class in twentieth century Poland wearing on those around him even as he strives to help them As he battles alone to do the kind of work that boards of health and other agencies do today Dr Judym wrestles inwardly with

feelings of inferiority and revulsion caused by his difficult childhood His mission takes him out of the city and into the countryside bringing him into conflict with his other desires and the love that he feels for a sympathetic woman whose background differs fundamentally from his own The Homeless combines concrete detail about social issues the urgent need for public hygiene and access to medical treatment the effects of industrialization on health and the landscape and the disinterest that people in power have in the disadvantaged with beautiful artistic passages of prose that sensitively probe the characters inner lives The title comes not from the obvious reference to the impoverished people Dr Judym concerns himself with but from the unmoored status of the protagonist the woman he loves a mysterious engineer friend of his his brother and many others who find themselves rootless emotionally and physically alienated by class divides and the social upheaval of industrialization The Homeless is a portrait of the time and place it was written Poland on the precipice of the twentieth century that speaks to our current time and place

One Sunny Afternoon Rowan Jette Knox,2023-09-12 From the bestselling author of Love Lives Here a deeply personal memoir about facing life long trauma head on and bravely healing the scars that endure For writer and human rights advocate Rowan Jett Knox the inspiring story of his family s journey of love and acceptance when both his child and partner came out as transgender one after the other was the hopeful beginning to their new lives Their tale shared in Rowan s memoir Love Lives Here and embraced by readers everywhere quickly found its way to the top of bestseller lists Yet in the spring of 2020 Rowan began to experience targeted attacks on social media and he soon became the subject of a small but very vocal group that criticized his book s success and his advocacy work The intensity of the backlash grew and drove Rowan to contemplate suicide But instead of taking his life on one sunny afternoon he went to the hospital to seek help One Sunny Afternoon is a searing testament to Rowan Jett Knox s extraordinary reckoning of his past and present to find hope in his future Triggered by the online harassment he wades through his personal history and details the incidents of violence addiction and sexual assault that have haunted him When Rowan eventually receives a complex trauma disorder diagnosis and dedicates himself to recovery he emerges with newfound strength resiliency and confidence One Sunny Afternoon is a profoundly moving and candid account of how trauma can shape us rather than define us and reveals how even in our darkest moments and on our most hopeless days light can find its way in
