AND OTHER STORIES

Slow Birds And Other Stories

Daniela Niemeyer

Slow Birds And Other Stories:

Slow Birds and Other Stories Ian Watson, 1985-01-01 Eleven stories deal with slow motion bombs spatial anomalies African ghosts time travelers post nuclear worlds and evolutionary change

Slow Birds: And Other Stories Ian Watson, 2011-09-29 Where do the metal death gliders come from To the glass sailors of the five villages the slow birds that inched over the Earth at shoulder height appearing and vanishing were a mystery until young Daniel climbed aboard one of the scarred Missiles and vowed to find out where it went Ian Watson's third short story collection is his best yet a brilliant array of original and imaginative inventions that plunge the reader into strangely familiar new worlds

Evil Water: And Other Stories Ian Watson, 2011-09-29 In his fourth short story collection Watson again demonstrates the extraordinary scope of his imagination The title story has ancient witchcraft meeting complacent modern suburbia in a tale of spine chilling horror while When the Timegate Failed casts an unexpected light in the dangers of space travel and man's powers of self delusion Alien matters of a different kind crop up in Windows in which mysterious artefacts found on Mars prove to be something of a problem for their chic human owners Evil Water is a highly inventive collection which is a delight to read

Salvage Rites: And Other Stories Ian Watson, 2011-09-29 Ian Watson's latest collection shows the same range and apparently inexhaustible fund of ideas that have characterized all his previous books No other contemporary figure in SF is so prolific or inventive a writer of short stories In the title story we immediately encounter a phantasmagoric vision of a society increasingly dependent on recycling its usable material other brilliant inventions include a planet inhabited by lemur like aliens who bafflingly produce marvellously finished stone carvings without apparently having the tools to do so The Moon and Michelangelo people fighting their way through the various levels of what appears to be a real life version of a computer adventure game Jewels in an Angel's Wing and a zoo in which are caged the extensions into our universe of four dimensional hyperbeings Hyperzoo And that is only the beginning there are fifteen stories in all each one a state of the art example of short science fiction at its finest

Sunstroke: And Other Stories Ian Watson, 2011-09-29 This second collection of Watson's short stories further demonstrates his seemingly inexhaustible imagination In The Thousand Cuts the entire human race finds its consciousness blanked out for varying periods but life seems somehow to have gone on in the missing days and indeed previously intractable problems have moved towards a solution In Sunstroke a doctor blinded accidentally during the voyage to a seemingly benign new world becomes gradually aware of disturbing changes afflicting her sighted companions These stories and many others confirm Watson's place in the forefront of contemporary SF writers

The Coming of Vertumnus: And Other Stories Ian Watson, 2011-09-29 A collection of science fiction short stories by the author of Lucky's Harvest They feature dozens of characters a new way of travelling between the stars a strange planet magical powers bravura set pieces and manoeuvres of narrative

Spotty the Bower-Bird and Other Stories Edward S Sorenson, 2021-11-09 In Spotty the Bower Bird and Other Stories Edward S Sorenson crafts a collection of enchanting tales

that explore the intricate interplay between nature and human emotion. Set against lush Australian landscapes, these stories blend vivid descriptions with engaging narratives that reveal the rich tapestry of the avian world, particularly focusing on the captivating behaviors of bowerbirds. Sorenson's deft use of lyrical prose mirrors the delicate beauty of the Australian environment while simultaneously addressing themes of love, creativity, and the inherent connection between humanity and wildlife.

Edward S. Sorenson, an acclaimed naturalist and storyteller, has spent decades immersed in the Australian wilderness, cultivating a profound appreciation for its unique flora and fauna. His experiences inform his writing as he deftly intertwines scientific observation with imaginative storytelling. Sorenson's dedication to environmental conservation and education shines through, inviting readers to reflect on their relationship with nature and the importance of preserving it for future generations.

Spotty the Bower Bird and Other Stories is an essential read for anyone who appreciates the beauty of storytelling infused with natural wonder. Sorenson inspires curiosity and reverence for the animal kingdom, making this collection a captivating addition to both children's and adult literature. This book not only entertains but also educates, ensuring its place in the hearts of readers who seek to find magic in the natural world.

Stalin's Teardrops: And Other Stories Ian Watson, 2011-09-29 Ian Watson is one of the most prolific short story writers in contemporary science fiction, with a range and invention that others might envy. In this collection, we move from a ghostly occurrence in Catalonia to a memorably hallucinatory and atmospheric tale of eggs and ectoplasm in pre glasnost Russia. The Times said of Watson that his stories are springloaded with effect, compressed with a drama that in others might take a novel to eke out. A judgement confirmed by the dozen stories collected here.

Honeymoon and Other Stories Kevin Canty, 2017-02-22 Kevin Canty is a master of the short story, a writer whose work has been compared to that of Flannery O'Connor and Raymond Carver but always with the understanding that Canty's is strikingly new, cool, and real. Now in *Honeymoon*, after two novels, Kevin Canty returns to short fiction, his first collection since his debut *A Stranger in this World*, a book that was hailed as Superb. These tautly structured stories breathe with sharp, distilled intelligence. *Honeymoon* is a book about love, about lovers, and would be lovers exploring unlikely alliances, all of them toeing a certain eventful edge, a decision between rational restraint and something altogether different. In the title story, a man leaves his lover's wedding with the bride's ex-girlfriend, in *Flipper*, a young escapee from fat camp discovers a different kind of hunger while enjoying a pregnant teen's gifts of forbidden chocolate, in *Aquarium*, a thirty-eight-year-old woman who claims to follow the straight and narrow tries to resist seducing her fifteen-year-old nephew again. Revealing the hidden longings and quirky needs of both men and women with a tough sensitivity and deep, sometimes biting humor, *Honeymoon* presents a masterful writer purely at home in his form yet continuing to push himself and his stories to their limits with enthusiasm and daring.

Bird Child and Other Stories Patricia Grace, 2024-01-30 Mythology and contemporary Māori life are woven together seamlessly in this spectacular collection by Aotearoa's foremost short story writer. The titular story *Bird Child* plunges you deep into Te Kore, an ancient time before time

In another the formidable goddess Mahuika Keeper of Fire becomes a doting mother and friend Later Grace s own childhood vividly shapes the world of the young character Mereana and a widower s hilariously human struggle to parent his seven daughters is told with trademark wit and crackling dialogue Moving artfully across decades landscapes time and space with tenderness and charm Bird Child and Other Stories shows an author as adept and stimulating as ever Grace s stories make a shining and enduring place formed of the brilliant weave of M ori oral storytelling Joy Harjo Fly Bird fly Child in every direction Know what there is to know of everything terrestrial Of all that has been laid out by T ne nui a Rangi Fly high Fly high Know all that is celestial Attain the uncountable stars

The Enigmatic Realm of **Slow Birds And Other Stories**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Slow Birds And Other Stories** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
