Moore, Lance Williams, 2011 Were the Stones criminals brainwashed terrorists victims of their circumstances or champions of social change Or were they all of these their role perceived differently by different races and socioeconomic groups The Elderine Stone Alan Lawson, 2011-11-30 石人 shi qingyao, 2024-12-16 Fobo is the gentleman here The girl seemed to have great respect for the old man and asked **The Heart Stone of Avooblis** Charles Streams, 2022-03-11 Dagdron Earl Elloriana and Lita's adventure has finally led them to Avooblis's homeland With nothing but lava as far as the eye can see the adventurers set off on the perilous journey in search of the Heart Stone of Avooblis Desolate terrain and ferocious creatures await them around every turn and they discover ominous memory portals defended by mysterious guardians As the adventurers face the terrifying past of the land where Avooblis came to be they must face an unknown traitor an entrancing humming and a rumbling volcano And on top of everything each day that passes they're haunted by the realization that even if they fulfill their quest they might never be able to make it back to their own land before Avooblis destroys it like he did his own *The Meth Conspiracy* J.E. Horn, 2012-09-12 Jonathan Champion was the golden boy A federal prosecutor who made his mark bringing down some of the biggest meth dealers the country had ever known and he did it in glamorous style But fame often has a price and Champion paid for it with the life of his wife and child Now he is a broken man Scarred both inside and out he wants to hide from the world But it's not this world that needs him Champion finds himself taken to a world filled with magic and meth A place where human beings or mundanes are used like chattel Here mundanes are forced into meth addiction that destroys them body and soul All in order to provide energy for their powerful masters A crazed old woman tells him that he is the only hope for his people That he is a mage with almost unreal powers So Champion must choose To embrace this new world and pit his fledgling powers against impossible odds or to hide and fade away As Champion deals with his inner struggles and tries to stay alive he and his companions begin to unravel a conspiracy that stinks of human misery and ancient evil A conspiracy that traces the meth epidemic to this new world Extracts from Chordal's Letters James Waring See, 1893 **Stone Cove Island** Suzanne Myers, 2014-11-11 The Stepford Wives meets Stephen King in this debut mystery a sleepy New England beach town is wrecked by a hurricane that reveals an unthinkable 30 year old secret When a catastrophic hurricane devastates Stone Cove Island a serene New England resort community everyone pulls together to rebuild Seventeen year old Eliza Elliot volunteers to clean out the island's iconic lighthouse and stumbles upon a secret in the wreckage a handwritten anonymous confession to a twenty five year old crime Bess Linsky's unsolved murder has long haunted the island and the letter turns the town inside out Everyone who knew Bess is suddenly a suspect Soon Eliza finds herself in the throes of an investigation she never wanted As Stone Cove Island fights to recover from disaster Eliza plunges the locals back into a nightmare they believed was long buried *At Home in Stone Creek & His to Claim* Linda Lael Miller, Brenda
