Dead Boyfriends David Housewright, 2007-05-01 Right up until they put him in jail McKenzie thought the cops were kidding After all he did them a favor by stopping a rookie cop from roughing up a distraught woman at a murder scene But the next thing Mac knows he's in jail missing an important date with his girlfriend and reliving nightmares he thought he'd finally left behind and he's vowing payback for all of it If that means sticking his nose into a crime investigation well he's done it before Only what appears to be a straightforward case of a cheating boyfriend his alcoholic girlfriend and an opportune baseball bat proves far more complicated than the police are willing to accept More disconcerting as he investigates Mac finds himself again fighting the influence of a shadowy figure who controls more of what goes on in the Twin Cities than a rational voter would believe And then there are the unidentified thugs who kill a witness and rough up him and his female lawyer ally Soon Mac realizes that the truth of this sordid crime may be as hard to find and as hard to live with as the justice he seeks

Baelor J.K Albers, 2025-03-13 Sweetness is a town where the whispers of the rotten echo louder than the tolling of Saint Felicitas's church bells where its heartbeat thrums to the rhythm of blasphemy where divergence is corrected and opposition is silenced Father Roman Cornelius Baelor is a chain smoking black magic wielding priest who has spent years exorcising demons from the innocent at the cost of their lives Now he is back in Sweetness after the priest who replaced him is accused of murdering his wife and found hanging in his prison cell with the word *Lilitu* scratched into the wall behind him Did the priest summon one of the Inferno's most powerful demons before his death As Father Baelor unravels the mystery he's pulled into a web of diabolic forces each thread tightening as a tragedy slowly unfolds where the line between familial devotion and indulgent obsession blurs What begins as a hunt for the truth quickly becomes something else entirely because once you let the devil in he locks the door behind him

The Salt Line Holly Goddard Jones, 2017 In an unspecified future the United States borders have receded behind a salt line a ring of scorched earth that protects its citizens from deadly disease carrying ticks Those within the zone live safe lives in a society controlled by a common fear Few have any reason to venture out of zone except for the adrenaline junkies who pay a fortune to tour what's left of nature Once out of zone this group finds itself at the mercy of deadly ticks and at the

centre of a murderous plot How far are they are willing to go to get to the right side of the salt line **Specifications and Drawings of Patents Issued from the United States Patent Office** United States.
