unique argument about the restructuring of urban space in the two decades following World War II and the role played by new suburban spaces in dramatically transforming the political culture of the United States Avila's work helps us see how and why the postwar suburb produced the political culture of balanced budget conservatism that is now the dominant force in politics how the eclipse of the New Deal since the 1970s represents not only a change of views but also an alteration of spaces George Lipsitz author of *The Possessive Investment in Whiteness* **Swedish Marxist Noir** Per

Hellgren, 2018-12-31 Marxist theories have had a profound influence on crime fiction beginning with the works of the American writers of the 1930s This study explores the development of a Swedish Marxist noir subgenre after the 1990s through a Marxist reading of central works from the Marlowe novels of Raymond Chandler to the 1960s social crime fiction of Sjöwall Wahloo to modern bestselling authors such as Henning Mankell Stieg Larsson Roslund Hellström Jens Lapidus Arne Dahl and others The works of these writers show a common thread of Marxist worldview in their portrayal of a modern world gone wrong *The Serial Killer's Apprentice* James Renner, 2008 Discusses twelve cold cases in Northeast Ohio involving murders and abductions *American Crime Fiction* Peter Swirski, 2016-07-15 Peter Swirski looks at American crime fiction as an artform that expresses and reflects the social and aesthetic values of its authors and readers As such he documents the manifold ways in which such authorship and readership are a matter of informed literary choice and not of cultural brainwashing or declining literary standards Asking in effect a series of questions about the nature of genre fiction as art successive chapters look at American crime writers whose careers throw light on the hazards and rewards of nobrow traffic between popular forms and highbrow aesthetics Dashiell Hammett John Grisham William Faulkner Ernest Hemingway Raymond Chandler Ed McBain Nelson DeMille and F Scott Fitzgerald *Five Fires* David Wyatt, 1998 Using his background in cultural history and literature David Wyatt focuses this history of California on five events that swept through the state altering its physical and political landscape Five Fires provides a unique framework for understanding the recent

developments in California and will prove an important contribution to the history of American culture Photos **The Big Goodbye** Sam Wasson, 2020-02-04 From the New York Times bestselling author of *Fifth Avenue Five A M* and *Fosse* comes the revelatory account of the making of a modern American masterpiece *Chinatown* is the Holy Grail of 1970s cinema Its twist ending is the most notorious in American film and its closing line of dialogue the most haunting Here for the first time is the incredible true story of its making In Sam Wasson's telling it becomes the defining story of the most colorful characters in the most colorful period of Hollywood history Here is Jack Nicholson at the height of his powers as compelling a movie star as there has ever been embarking on his great doomed love affair with Faye Dunaway Here is director Roman Polanski both predator and prey haunted by the savage death of his wife returning to Los Angeles the scene of the crime where the seeds of his own self destruction are quickly planted Here is the fevered dealmaking of The Kid Robert Evans the most consummate of producers Here too is Robert Towne's fabled script widely considered the greatest original screenplay ever written

Wasson for the first time peels off layers of myth to provide the true account of its creation Looming over the story of this classic movie is the imminent eclipse of the 70s filmmaker friendly studios as they gave way to the corporate Hollywood we know today In telling that larger story *The Big Goodbye* will take its place alongside classics like *Easy Riders Raging Bulls* and *The Devil s Candy* as one of the great movie world books ever written Praise for Sam Wasson Wasson is a canny chronicler of old Hollywood and its outsize personalities More than that he understands that style matters and like his subjects he has a flair for it *The New Yorker* Sam Wasson is a fabulous social historian because he finds meaning in situations and stories that would otherwise be forgotten if he didn t sleuth them out lovingly Hilton Als
