The Rodeo Queen Marcella Bell, 2022-12-27 Bell brings the diverse world of competitive rodeo to life with vivid details and enhances the slow burn opposites attract romance with chemistry and banter Readers will be captivated Publishers Weekly starred review The rules of being a rodeo queen no creases no boyfriends no mistakes With more crowns to her name than hairs on her head Sierra Quintanilla knows the rulebook inside out And with Closed Circuit the reality TV meets rodeo tour competition back for a second season she's ready to play her part to perfection But no one is actually perfect And nothing is more dangerous to a rodeo queen than desire As a teenager Diablo Sosa was sentenced by a judge to attend a Houston youth rodeo program Now an attorney at law Diablo spends his days seeking justice He would never have returned to the arena but for his old mentor so why does the pounding in his blood feel like a homecoming Or perhaps that's down to Sierra the hostess who shines brighter than the studio lights From Houston to New Orleans from Miami to Las Vegas Sierra and Diablo wrestle with a connection that could cost them everything or else lead them right to where they're meant to be A Closed Circuit Novel Book 1 The Wildest Ride *Will the Real Alberta Please Stand Up?* Geo Takach, 2010-12-01 One little question propels both author and reader on a genre bending quest to find the elusive essence of

a Canadian province built on sturdy stereotypes of oil spoiled beef eating bible thumping rednecks devoid of class or culture Through essay interview colourful observation and whatever other expos it takes to amplify the hyperbolic absurdity of seeking a simple answer to an incendiary question Geo Takach spotlights the cultural complexity of this perplexing province Readers will be delightfully edified after a dizzying romp around Wild Rose Country with Geo and a cast of citizens and celebs alive and dead Populism in Europe and the Americas Cas Mudde,Cristóbal Rovira Kaltwasser,2012-05-28 Although populism has become something of a buzzword in discussions about politics it tends to be studied by country or region This is the first book to offer a genuine cross regional perspective on populism and its impact on democracy By analyzing current experiences of populism in Europe and the Americas this edited volume convincingly demonstrates that populism can be both a threat and a corrective to democracy The contributors also demonstrate the interesting similarities between right wing and left wing populism both types of populism are prone to defend a political model that is not against democracy per se but rather at odds with liberal democracy Populism in Europe and the Americas offers new insights into the current state of democracy from both a theoretical and an empirical point of view **The Politics of Educational Reform in Alberta** Alison Taylor,2001-01-01 A case study of educational restructuring in Alberta during the Klein revolution the period of dramatic political and economic change introduced by Premier Ralph Klein s Conservative government of the 1990s

Driving Lessons J. Peter Rothe,2002-09-20 With the exception of modern warfare no other human activity has destroyed as many lives as driving a motor vehicle Traffic crashes kill and injure thousands of Canadians every year at an incalculable financial and emotional cost to society but rather than rush to stem this tide of human carnage policy makers seem to accept the ghastly toll as the price we pay for mobility Driving Lessons takes a fresh look at the complexities of the road transportation system in depth going far beyond the symptomatic linear reductionist approach It challenges current traffic safety paradigms that simply blame the driver or target villains and scapegoats like impaired or high risk drivers It takes issue with road transportation system management that sometimes puts mobility ahead of the safety of road users As one researcher notes human beings will make mistakes and accordingly the road transportation system must be designed so that people s mistakes do not have disastrous consequences Under a Rodeo Moon Roni Adams,2012-09-19 Bull rider Dusty Wulfsen has been thrown to the ground by more bulls than he can remember yet nothing caused as much pain as losing Carrie Montgomery When she shows up in Wayback determined to have a second ride at his heart he knows he d be a fool to let her near him But memories of those nights under a rodeo moon have him coming back for more **Ties that Bind** James Bickerton,Patrick J. Smith,1999 Viewed from afar electoral politics in Canada may seem a strange amalgam of predictability and surprise stability and volatility At the close of the twentieth century the party in power is the same one that governed at the beginning of the century and for an inordinate amount of time in between Yet the contemporary party system seems to bear little relation to that which characterized either turn of the century or mid century Canadian politics In fact several

dramatic upheavals have taken place in the relationship between parties and voters Elections clarify for parties and voters the current character of their relations Partially obscured vaguely calibrated or hidden perils in the voter party relationship will often rise to the surface during election periods and the ties that bind diverse communities of voters to particular parties are tested Clearly the relationship between Canadian voters and their political parties has seldom been an easy one especially at election time However to describe it as unstable or volatile would be misleading There have always been strong currents of continuity and stability in voter party relations in Canada that are deeply rooted in regional political cultures and party histories in enduring ties between ethnocultural or linguistic groupings and particular parties and in the economic and class cleavages that influence left right ideological divisions Ties That Bind looks at the socio economic ethnolinguistic and demographic factors in party support the enduring quality of these social bases the importance of geography in structuring variations in the voter party relationship and electoral change as a function of the strategic decisions of the parties and their leaders and the voter response these decisions evoke

The Cowboy Says I Do Sinclair Jayne, 2021-08-05 He needs her to say I do When professional rodeo cowboy Beck Ballantyne returns home to Marietta Montana nothing goes as planned His granddad flanked by his three determined daughters announces his plan to sell his legacy ranch after the rodeo Hoping he'll reconsider Beck and his two cousins launch the Rodeo Bride Game Beck initially has the advantage as he has a long time girlfriend except she's just called it quits Ashni Singh has loved Beck since high school but she's done living out of a suitcase on the rodeo tour She's ready to put down roots and build her own career Learning she's unexpectedly expecting makes her even more determined to make a new life So when Beck dutifully proposes she does what any self-respecting career-oriented educated woman at the end of her patience would do She says no The Rodeo Bride Game may have started as a fun challenge but Beck has never been more serious about winning Ash's heart and her hand

The Price of a Bargain Gordon Laird, 2010-10-19 A brilliant investigation into the true cost of our bargain economy and the end of consumerism as we know it Ours is the age of discount we want more cheaper better But the result is low wages urban blight environmental damage labour abuses a cookie cutter model of progress and now an international economic crisis With an eye for documentary storytelling and investigative detail Gordon Laird traces the bargain from its humble dollar store origins to its place as global juggernaut From Alberta's tar sands to China's factories from Las Vegas to the Arctic Circle a single question emerges how will we survive the bargain
