Small Miracle:

Small Miracles A. C. "Pete" Peters, 2007-06 What Christian hasn't questioned their faith in God at some point during their lives? Most people accept their faith blindly as children due to parental influence and Pete Peters was no exception. An automobile accident at age sixteen changed everything. Peters was speeding in a hilly area when his 1951 Ford convertible careened off a steep cliff and crashed one hundred feet below, causing his younger brother David to suffer fatal injuries. And so began Peters' first question: How can there be a God that allows innocent people to suffer and die for no reason? In later years he witnessed family trauma, senseless war, famine, two divorces, and other atrocities. From his point of view, there was no God to care. A self-proclaimed intellectual atheist, Peters still read about and discussed faith, and over the years devoted much thought as to why he felt God logically could not exist. After many small miracles eventually occur in his life, Peters finally realizes that faith is a gift that is only given to those ready to accept it. Peters tells his story in such a compelling and personal way that he will help anyone who is spiritually confused find their way back to God. *Small Miracles* Woody VanKirk, 2018-04-24 If you survived a plane crash without a scratch, you would surely say it was a miracle. Yes, it would be quite a miracle. But what if you fell down the stairs and survived without a scratch? What would that be? Good luck. Why wouldn't that be a miracle? A small miracle. This is about seven cats. This is also about miracles. Small miracles which happened to these seven cats and how the affect of these miracles helped lead the writer back to God and the path to salvation. Do you agree with the writer that there are miracles here or just good luck and coincidences? It's for the reader to decide. While reading, enjoy the feline anecdotes. **Small Miracles** Olivia Atwater, 2022-05-06 A warm, funny, and wonderfully inclusive fantasy. Sangu Mandanna's *this feel good comedy* by author Olivia Atwater mixes angels, demons, romance, and chocolate into a perfectly petty and wickedly entertaining novel. A little bit of sin is good for the soul. Gadriel, the fallen angel of petty temptations, has a bit of a gambling debt. Fortunately, her angelic bookie is happy to let her pay off her debts by doing what she does best. All Gadriel has to do is tempt miserably sinful mortal Holly Harker to do a few nice things for herself. What should be a cakewalk of a job soon runs into several roadblocks, however, as Miss Harker politely refuses every attempt at temptation from Gadriel, the woman, Gadriel, the man, and Gadriel, the adorable fluffy kitten. When even chocolate fails to move Gadriel's target, the ex-guardian angel begins to suspect she's been conned. But Gadriel still remembers her previous job and where petty temptations fail, small miracles might yet prevail. Olivia Atwater explores love, grief, and the very last bit of chocolate in this sweet modern fantasy full of wit and heart. Pick up *Small Miracles* and enjoy a heavenly comedy from the author of *Half a Soul*. Praise for *Small Miracles*: Warm, funny, and wonderfully inclusive. *Small Miracles* is a delightful fantasy about the extraordinary power of small, seemingly insignificant kindnesses and joys. Sangu Mandanna, bestselling author of *The Very Secret Society of Irregular Witches*. Full of fallen angels, petty gambling, and lots of chocolate. *Small Miracles* is a sweet and cozy delight, think *Good Omens* with lower stakes and more heart.
