Smile : picture dictionary Carolyn Barraclough, 2002-07 An English picture dictionary Suzanne Presley, William Presley, 1971 *The Picture Collector's Manual: Dictionary of names* James R. Hobbes, 1849 **Dictionary of Missouri Biography** Lawrence O. Christensen, William E. Foley, Gary Kremer, 1999-10 **Safire's Political Dictionary** William Safire, 2008-03-31

When it comes to the vagaries of language in American politics its uses and abuses its absurdities and ever shifting nuances its power to confound obscure and occasionally to inspire William Safire is the language maven we most readily turn to for clarity guidance and penetrating sometimes lacerating wit Safire's Political Dictionary is a stem to stern updating and expansion of the Language of Politics which was first published in 1968 and last revised in 1993 long before such terms as Hanging Chads 9 11 and the War on Terror became part of our everyday vocabulary Nearly every entry in that renowned work has been revised and updated and scores of completely new entries have been added to produce an indispensable guide to the political language being used and abused in America today Safire's definitions discursive historically aware and often anecdotal bring a savvy perspective to our colorful political lingo Indeed a Safire definition often reads like a mini essay in political history and readers will come away not only with a fuller understanding of particular words but also a richer knowledge of how politics works and fails to work in America From Axis of Evil Blame Game Bridge to Nowhere Triangulation and Compassionate Conservatism to Islamofascism Netroots Earmark Wingnuts and Moonbats Slam Dunk Doughnut Hole and many others this language maven explains the origin of each term how and by whom and for what purposes it has been used or twisted as well as its perceived and real significance For anyone who wants to cut through the verbal haze that surrounds so much of American political discourse Safire's Political Dictionary offers a work of scholarship wit insiderhood and resolute bipartisanship
