One Way Out is one baby boomer's story of living through a time when America experienced tumultuous change. A third generation Italian American Azzarelli made it his mission to follow in his family's footsteps and make his own way in the construction business. But the political, social, and cultural upheaval of his generation would greatly impact his future. Azzarelli protested the Vietnam War and narrowly missed being drafted toward the end of the conflict. He bore witness to Woodstock, the Watergate scandal, the Civil Rights movement, and the death of John F. Kennedy. Yet despite such life-altering events, Azzarelli clung to the old world values of his grandfather and his father: the importance of hard work and putting family first. He founded his own construction business in Florida, married, and raised a family of four. Full of wit and wisdom, *One Way Out* brings to life the turbulence of a generation and reveals how one man learned that in planning for the future, one must always consider the past.

God's Perfect Timing Dr. David Caruth, 2011-09-21

God's Perfect Timing: Breaking the Cycle of Poverty with Education and Faith is about how important events in our lives happen according to God's timing, not our own. Come with me on a spiritual journey through poverty, child abuse, and my struggle to overcome dyslexia through special education. I share a chilling account of how I survived being struck by lightning at football practice at the beginning of my senior year of high school. After my dream of becoming a professional athlete got shattered, I survived on the streets with dangerous criminals. Can you make lightning appear and cause it to strike as you direct? Job 38:35. Lucky to Be Alive. For on August 18, Caruth was standing in the defensive backfield during Coronado's football practice when an incredible event knocked him right off the football field and literally into medical journals. Dressed in full football gear, Caruth was struck by lightning on the head by a bolt of lightning. The bolt burned through protective padding in the helmet at the point where a metal screw was fixed, blacked the neck of his jersey, singed his pants, and left his socks looking as though they'd been treated with a blowtorch. C. W. Nevius Forward.

By Reverend Alfonso Wyatt, I spent my career as an educator, youth developer, advocate, counselor, role model, and minister, transforming the lives of countless young people caught in tumultuous life circumstances beyond their control or choosing. The aforementioned perspective allows me to understand and appreciate the profound power contained in *God's Perfect Timing: Breaking the Cycle of Poverty with Education and Faith* by Dr. David D. Caruth. Brother Caruth unapologetically takes readers into his world and lays bare horrific childhood events, namely physical sexual abuse, hunger, deprivation, physical, emotional challenges, as well as the need for special education. If this were not enough, David, as a promising high school football player with dreams of turning pro, was struck by lightning while on the practice field. 100 players were leveled by the bolt; David was the only one that did not get up. The story could have ended right there with yet another African American child failing to thrive, doomed to living in the now all too familiar clutch of poverty, crime, drugs, gangs, incarceration, nihilism, and neglect, dying too soon. The seeds of failure were clearly sown into the life and psyche of the author. Yet the reader will discover that in the midst of seemingly insurmountable odds, David is able to change the odds. This social miracle was accomplished by seeds planted by David's mother, namely the seed of faith revealed in the telling of

biblical stories like David and Goliath a Divine metaphor if you will This book shows educators faith leaders policy makers parents young people and yes even the naysayer how the cycle of poverty perpetuated by low self esteem academic indifference victim thinking blaming and dysfunctional family life can be broken once and for all So beloved come on the arduous and ultimately triumphant journey of David D Caruths lifetime If you accept this invitation please be open to the reality that the same power that found a young boy at his most vulnerable time the same power that snatched him from the sure grip of death the same power that helped him overcome staggering life obstacles and receive a terminal degree is the same power that can change the lives of readersnow that Gods Perfect Timing is in full effect The Reverend Alfonso Wyatt has four decades of experience developing young people as well as working with public private community based youth serving organizations and the faith community involved in the same effort Reverend Wyatt a D Min candidate at New York Theological Seminary is an ordained Elder on the ministerial staff of The Greater Allen Cathedral of New York and he and his wife are co authors of Soul Be Free Poems Prose Prayers Preface Gods Perfect Timing Breaking the Cycle of Poverty with Education and Faith is about how important events in our lives happen according to Gods timing not our own Come with me on a spiritual journey through poverty child abuse and my struggle to overcome a learning disability through special education I share a chilling account of how I survived being struck by lightning at football practice at the beginning of my senior year of high school After my dream of becoming a professional athlete got shattered I survived on the streets with dangerous criminals Throughout my life my mom Zelna A Caruth was my primary source of strength She was raised in Chicago and overcame more adversity in her life than anyone I knew Her father died in a fire when she was 4 years old and her mother passed away when she was 12 As the oldest of four siblings with two younger sisters and a baby brother she called Bugs her childhood ended at a very early age She was also my most important teacher and source of strength She taught me not to criticize or judge others until I walked a mile in their moccasins I understood her lessons because I had seven older brothers and sisters and one younger sister and my own shoes had cutout cardboard for bottoms Like a sponge I absorbed as much of my moms wisdom as I could She taught me about the Bible and to believe that God works in mysterious ways She let me know early on in life that man would let me down and that I needed to put my faith and trust in the Lord If I trusted in the Lord she would say and not worry so much about what other people had only then would I begin to see the miracles that God was performing in my own life She was right of course When I look at my own life there are numerous times too many to count when my life could have and probably should have ended and God made a miracle happen to keep me going I also learned that not all miracles are pleasant Unpleasant miracles are difficult for most of us to grasp We find it difficult to understand why a loving God would not only allow but cause unpleasant events to happen in our lives I questioned my mom about why bad things happened to good people and good things happened to bad people My moms answer was that God allowed Jesus to die on the cross only to raise him from the dead to glorify his own power She left it to me to figure out

the meaning of her words For most of us those with children anyway we find it difficult to imagine allowing our child to be crucified so that the world could bear witness to our power God help us if our children get injured on fields of play If our children get hurt our hearts fill with pain and sadness and we want the world to see us rush to comfort them We grow up learning that people who love us should protect us from unpleasant events that occur daily in our own lives In our house my brothers and sisters seldom felt protected What we felt on most days was hunger jealousy misery envy and multiple kinds of abuse I wrote this book because I believe that in spite of the challenges we face and endure day after day miracles happen every day of our lives however most of the time we dont recognize them when we see them After reading this book my hope is that you will begin to see how God works through people to influence the lives of other people You will learn how to recognize Gods Perfect Timing in your own life and to take action when the time is right If God can bring me through poverty child abuse and special education back from death and homelessness to earning a PhD buying several homes for my family and sending my children to private school then you too should be able to have faith that God has a design on your life and has already blessed you with miracle after miracle
