Smooth Sailing To Venture Capital Fundin:

Smooth Sailing to Venture Capital Funding Robert J. Carlini, Ronald J. Carlini, Therese Carlini Moss, 2004-10 This book helps companies and entrepreneurs to understand the Venture Capital fund raising process It focuses on teaching companies to evaluate the fundamentals of their own business model and to measure them against what the financial community is currently funding You will learn how to identify and then leverage your company's strengths and to neutralize or eliminate the weaknesses You will learn to optimize your business model both to attract investors and to build a strong and profitable company This book provides the information every company needs to successfully approach the investment community The underlying concept is that there is a specific set of obstacles that you must overcome to qualify your company in the eyes of the investment community For the first time this book identifies these obstacles and tells you how to successfully deal with them

The Entrepreneur's Information Sourcebook Susan C. Awe, 2012-01-16 For 21st century entrepreneurs this book provides the practical guidance they need to overcome the often intimidating challenges of starting organizing and running a new business effectively and efficiently The economic downturn has many individuals considering going into business for themselves rather than relying on an employer for their income Unfortunately according to data from the Small Business Administration the odds of long term success are against them 69 percent of businesses do not last past seven years and 56 percent fail in less than four This book provides entrepreneurs with a comprehensive guide to the resources they need or will likely want to consult when starting a small business and in order to stay profitable over the long run The Entrepreneur's Information Sourcebook Charting the Path to Small Business Success Second Edition provides the expert guidance and up to date print and web resources an entrepreneur may need to make his business thrive and grow from inception and information gathering to raising capital to marketing methods and human resource concerns Nearly half of the resources in this newly updated book are new and the essays have also been updated to reflect current business practices This book is an essential tool that provides quick and easy access to the information every small business owner needs
