El-Hi Textbooks & Serials in Print, 2005, 2005. **Ensuring That No Child Is Left Behind** J.D. Jones, 2018-08-01. As a former college professor and school administrator, I have always had a focus on teaching and learning as well as providing a safe school environment for all. Jerry Dale Jones's book is a strategic mentor program that is proactive in preventing many of the difficult school situations that we read about daily. Dr. Reginald Oxendine, president and CEO, Reading Solutions Inc, Pembroke, North Carolina. This is an important work that offers insight in creating success for students within a school setting. The information and ideas presented will be invaluable to anyone involved in education seeking a new approach for a safe school environment. Dr. Mickey Blackwell, former middle school principal and executive director of Elementary and Middle School Principals in West Virginia. Ensuring that no child is left behind: A Strategic mentoring program for middle and high school students is not a quick fix, but if used in a thoughtful manner, it has hope for creating a culture for safe schools as well as assisting all students to persist to graduation. This strategic mentoring program has a common sense approach that is backed by many years of practical and day-to-day activities that work. Throughout my career, I have heard the term 'at risk' used often. I now believe we are all at risk depending on each day that we approach. It can be a miracle or a nightmare depending on the many unforeseen encounters that occur daily in our life.
