Smuggling Simon Harvey, 2016-04-15 A cellar door creaked open in the middle of the night or a hand slipping quickly into a trenchcoat the most compelling transactions are surely those we never see Smuggling can conjure images of adventure and rebellion in popular culture Han Solo knew all about it as did Al Capone but as Simon Harvey shows in this fascinating book smuggling has had a profound effect on the geopolitics of the world Shining a light onto seven centuries of dark history he illuminates a world of intrigue and fortunes hinged on outlaw desires and those who have been willing to fulfill them Harvey tells this story by focusing on the most coveted contrabands of their time In the Age of Discovery these were silk spices and silver During the days of western empires they were gold opium tea and rubber And in modern times it has been of course drugs To the side of these major commodities he looks at a wide array of things that have always been in smugglers trunks from guns to art to the most dangerous of all ideas Central to this story are the not always legitimate forces of the Dutch and British East India Companies the luminaries of the Spanish Empire Napoleon Bonaparte the Nazis Soviet trophy brigades and the CIA all of whom have made smuggling at one point or another part of their modus operandi Beneath this Harvey traces out the smaller time smugglers the micro economies of everyday goods precious objects and people drawing the whole story together into a map of a subterranean world crisscrossed by smugglers paths All told this is the story of the unrelenting drive of markets to subvert the law of the invisible seams that have sewn the globe together **Smuggled** Christina

Shea, 2011-07-05 The harrowing yet hopeful life story of a Jewish girl's escape from Nazis growing up under communist oppression and finally reclaiming her true identity In a narrative sweeping from WWII rural Romania to 1990s cosmopolitan Budapest Christina Shea's *Smuggled* tells the story of Eva Farkas who loses her identity at five years old when she is spirited across the Hungarian border in a flour sack to escape the Nazis When Eva arrives in Romania her aunt and uncle greet her with a startling proclamation Eva is dead Her new name is Anca Balaj and she must never speak another word of Hungarian Living with a dangerous secret under Nicolae Ceausescu's Romanian Communist Party Anca meets others who are forced into hiding an abortion doctor a homosexual another secret Jew But when the Iron Curtain falls Anca reclaims the name her mother gave her She finally returns to Hungary a country changing as fast as the price of bread where her lifelong search for family and identity comes full circle An intimate look at the effects of history on an individual life *Smuggled* is a raw and fearless account of transformation and a viscerally reflective tale about the basic need for love without claims **Assassin's**

Hogan,Zach Chapman,Andrew Knighton,Lucy A. Snyder,2018-01-02 Fiction has a special role in the way we relate to each other Fiction can take us outside of our own experience and give us a small hint of what it s like to be someone else Speculative fiction including steampunk has always been a metaphorical mirror to our own society allowing us to see ourselves and our behaviors from the outside in ways that we otherwise couldn t It s not magic It s the interworking of dozens of finely machined gears It s the craftswoman adjusting the tension on a spring so it doesn t break It s the stoker making sure the furnace fires stay burning It s the conductor collecting tickets the passengers watching the landscape roll by the excited child standing next to the engineer who gets to pull the cord and hear the train s steam whistle It might not be magic but it s still amazing Especially with a project like Steampunk Universe making an anthology of steampunk stories that feature diverse characters who are disabled or atypical Join editor Sarah Hans our cover artist James Ng and contributors Ken Liu Jody Lynn Nye Maurice Broaddus Malon Edwards Emily Cataneo Pip Ballantine and nine others today
