help ignored and his good advice rejected In just under twenty years Stockton s local government protected by a local newspaper destroyed the trust of its citizens Cochran chronicles every bureaucratic twist and depravity from the city losing 43 000 a day plundering public safety funds to finance a ballpark to stealing land from a local church Stockton didn t become bankrupt because of the financial bubble or housing crisis Stockton went bankrupt because of its public officials abuse of power and attitude of hostility towards the community Exposing mistakes acts as a disinfectant and Stockton s Path to Bankruptcy is a powerful aid to helping heal Stockton and serves as a warning to citizens of other cities *The Rough Guide to England* ,2004-03 This is a comprehensive and up to the minute handbook to England It includes recommendations of the best places to stay eat and drink in all budget ranges and in all regions It also includes accounts of every type of attraction
