Vilos, Evan John Vilos, 2011      A Few Commonsense Gun Laws Christopher A Crofts Jd, 2019-07-08 Christopher A Kip Crofts former U S Attorney of Wyoming former soldier judge police officer and expert on guns and ammunition examines the gun laws of the United States He dissects their history and effectiveness while providing first hand examples and engaging stories to demonstrate the ways in which these laws do nothing to end gun violence in the U S He provides in depth discussions of many kinds of guns including short barreled guns and assault weapons and why certain ones were banned He details the Assault Weapons Ban the 1968 Gun Control Act the NICS system universal background checks the 1934 National Firearms Act Gun Free School Zones Red Flag Laws and others Further he discusses why these bans have done nothing to curb the violence and provides a common sense approach to reduce violence without infringing on the rights of law abiding gun owners      The Gun Control Debate Lianna Tatman, 2019-07-15 The recent sharp rise in school shootings in the United States has kept the gun control debate going However for many people it is an emotional topic making much of the information that people hear in the media or from friends and family members biased in one way or another Understanding the history of gun laws in America and the realities of both sides of the issue is pivotal Up to date statistics annotated quotes from experts and real world examples contextualize the arguments surrounding this complex issue This knowledge allows young adults to become informed participants in the gun control debate      Florida Gun Law David Katz, James Phillips, 2016-04-13      Regulating Gun Sales Daniel W Webster, Jon S Vernick, Emma E McGinty, Ted Alcorn, 2013-03-26 This excerpt from the masterful timely data driven study of the gun control debate examines the potential of stronger purchasing laws Choice As the debate on gun control continues evidence based research is needed to answer a crucial question How do we reduce gun violence One of the biggest gun policy reforms under consideration is the regulation of firearm sales and stopping the diversion of guns to criminals This selection from the major anthology of studies

Reducing Gun Violence in America presents compelling evidence that stronger purchasing laws and better enforcement of these laws result in lower gun violence Additional material for this edition includes an introduction by Michael R Bloomberg and Consensus Recommendations for Reforms to Federal Gun Policies from the Johns Hopkins University **Gun Sense** Mark Shean Sr,2019-06-21 From the ForewordMark Shean s Gun Sense is in reality a series of numbered and un numbered articles assembled into a book In 2018 after one of Mark s License to Carry LTC classes he was talking about wanting to take his blog and turn it into an E book There was a desire to be able to reach a wider audience and make it easier for his students to follow along with him review the material Mark Shean comes to readers with a combination of over 55 years of firearms NRA LE Instructor and Nuclear security experience Though originally from Maine Mark has been teaching the Massachusetts gun law class since 2000 Gun Sense is not so much a book you read from the first page to the last even though you could and should as much as it is a guide to topics on gun safety Massachusetts gun law your general rights as an American op eds and so on and so forth that can apply anywhere The synergy of this work is that Mark just started writing these articles as the topics came to him These are ideas that came to him in the order that they are presented here over years There are sections that are redundant and cover the same material over again for a reason In compiling the over 50 independent pieces we have tried to lend some help in organization by referencing other Gun Sense chapters which would give you more information on a certain subject Chances are if you have a question when reading Gun Sense or taking Mark s class the question will be answered by the time you finish reading the book or sitting in on the class The good news is that Mark is a tangible and accessible guy All you have to do is find his contact information at the end of this book in the About the Author section and if you have any questions comments concerns or general correspondence Mark would be happy to field them Also if you are reading this book as a companion to his class that is awesome and you ll find having this text handy while in class or before after class will help reinforce the lessons he teaches If you are reading this book and are thinking that you want some training all the better Reach out to Mark and he d be happy to talk to you about a training session or teaching you the required class to obtain a Massachusetts Firearms Identification Card FID or License to Carry LTC Included are Appendixes with helpful information and plenty of citations through the text At the time of this writing everything was accurate and up to date but that does not mean it so shall remain Concerning Chapter 140 of Massachusetts General Law and also 527 Code of Massachusetts Regulations be advised this is all subject to change so always cross reference and ensure you have the up to date regulations As with all citations and references in this text they can and will change over time

California Gun Laws C. D. Michel,2012-11-01 If you choose to have a gun in California this book could keep you out of jail Firearm ownership possession and use are individual constitutional rights that carry extraordinary responsibilities Along with your responsibility to know and follow safety procedures you also have increased responsibility to comply with all applicable state federal and local laws Because of the complexity of these laws inadvertent gun law violations by well intentioned good

people are increasingly common In the politicized legal environment of California gun control laws the consequences of even an inadvertent violation can be severe To protect yourself you need to know the law This book will help This book explores explains and summarizes the firearm laws affecting firearm owners in California and warns about common legal traps that California firearm owners often unintentionally fall into When can you use deadly force Who can possess a gun When are you permitted to have a gun Where can you have a gun How must a gun be possessed How do you get your gun rights back Which guns are banned How do you get your guns back from the police Can you carry a gun in public This book answers these questions and many others There are over 800 California state statutes regulating the manufacture distribution sale possession and use of firearms There are thousands of overlapping federal laws regulating firearms that apply in California And there are hundreds of administrative regulations local ordinances and California Department Justice Firearms Bureau written and unwritten policies that also apply With all the overlapping regulations its no wonder that confusion runs rampant among California gun owners as well as among police prosecutors and judges This book will inform those who are subject to California s complex firearms laws so that they can avoid inadvertently violating them and will educate those tasked with enforcing those laws so they can avoid mistaken arrests and prosecutions Written by C D Chuck Michel a firearms attorney with 20 years of experience representing the NRA as well as firearm manufacturers wholesalers retailers and gun owners California Gun Laws A Guide to State and Federal Firearm Regulations is an invaluable resource Michel has been litigating civil and criminal firearm cases since 1991 many of which were high profile and attracted state and national media attention His clients include the National Rifle Association NRA the California Rifle and Pistol Association Foundation CRPAF FFL Guard gun manufacturers wholesalers retailers and individual gun owners He has represented thousands of individuals and companies charged with violating California s confusing firearms laws He has litigated hundreds of firearms cases involving constitutional issues including Second Amendment challenges in both state and federal trial and appellate courts Professor Michel also teaches classes in Firearms Law and Law Practice Management as an Adjunct Professor at Chapman University School of Law in Orange California Contributors SUPPLEMENTAL INFORMATION TIMELY LEGAL UPDATES ARE PROMPTLY POSTED AT [calgunlaws.com](http://calgunlaws.com) WHENEVER NEW LAWS ARE PROPOSED OR TAKE EFFECT
