

The Hand Cannons Of Imperial Japan

Sebastian Brünink

The Hand Cannons Of Imperial Japan:

Japanese Military Cartridge Handguns, 1893-1945 Harry Derby, James D. Brown, 2003 When originally published in 1981 *The Hand Cannons of Imperial Japan* was heralded as one of the most readable works on firearms ever produced To arms collectors and scholars it remains a prized source of information on Japanese handguns their development and their history In this new Revised and Expanded edition original author Harry Derby has teamed with Jim Brown to provide a thorough update reflecting twenty years of additional research The authors have retained the format and much of the text of the original edition focusing on military cartridge arms from the 1893 1945 period Signal pistols foreign procured military handguns ammunition holsters and accessories are also covered Significant changes are included based on new findings and a great deal of new information has been added together with color illustrations of significant specimens A number of newly discovered variants are identified and described and expanded tables of reported serial numbers and production data are provided Coverage and explanation of Japanese markings has been greatly enhanced and a detailed study of inspection marks on the most widely known Types 14 and 94 is included An appendix on valuation has also been added using a relative scale that should remain relevant despite inflationary pressures For the firearms collector enthusiast historian or dealer this is the most complete and up to date work on Japanese military handguns ever written Like its predecessor it is certain to become a classic firearms reference and a benchmark for further research

The Hand Cannons of Imperial Japan

Harry Derby, 1981

Nambu Pistols John Walter, 2023-04-27 This is the absorbing story of the handguns credited to Nambu Kijiro the principal personal defence weapons of the Imperial forces Featuring full color artwork and carefully chosen photographs this book charts the origins development combat use and legacy of the Nambu pistols Cutaway artwork reveals the inner workings of these important handguns while specially commissioned battlescenes depict them in use in action Influenced by the German C 96 and other semi automatic pistols the first Nambu model was never accepted for universal issue being confined largely to purchase by Japanese officers Adopted in 1925 the 14th Year Type was to become the best known of these handguns serving in every campaign undertaken by the Japanese in the 1930s and then throughout World War II It served alongside the bizarrely conceived Type 94 intended as the weapon of airmen tank crew and anyone to whom its compact dimensions were useful When World War II ended thousands of Nambu pistols arrived in America with US veterans of World War II while others were carried by insurgents and other armed groups across South East Asia for decades after 1945 Fully illustrated this is the engrossing story of these distinctive pistols from their origins to their legacy

The Hand Gun Story John Walter, 2008-06-30 A firearms expert traces the history of the one hand gun from its 14th century origins surveying changing technology techniques and design Midwest Book Review Ideally suited for both attack and self defense handguns have gotten smaller and deadlier But the earliest pistols had a tendency to misfire This was cured by the cap lock which proved a massive success in the American Civil War with hundreds of thousands of cap lock revolvers used on

each side Self contained metal case cartridges were to bring a fundamental change to handgun design not only by allowing the introduction of revolvers that ejected automatically or were easily reloaded but also by paving the way for the automatic pistol World War I provided the handgun with a proving ground At the end of the hostilities with so much surplus weaponry work on the handgun could have ceased instead a new developmental phase was begun by the nations that had emerged from the crumbling Imperial empires During World War II the efficiency of well established designs was confirmed and new designs such as the Walther P 38 showed their potential The emergence of the submachine gun in 1945 reduced the status of the handgun but only temporarily The need for efficient self defense shows no signs of lessening and the rise in shooting for sport particularly with the revolver has sharpened the quest for efficiency The never ending search for advanced production techniques shows that the handgun has as much a future in the twenty first century as it had in the heyday of the Wild West or in the trenches of Passchendaele Model Machines Long T. Bui,2022-06-10 A study of the stereotype and

representation of Asians as robotic machines through history **The Imperial Japanese Army** Bill Yenne,2014-09-20 So many histories of the War in the Pacific focus on the Allied experience This title reverses this trend by examining the year of Japanese victory when the might Japanese naval and ground forces swept all before them both throughout the Pacific and on mainland Asia The German offensives which crushed Poland in 1939 and swallowed most of Western Europe in less than two months in 1940 have been well documented and heavily studied however the overall picture of the remarkable Japanese offensive land campaign in 1941 42 has received less attention In this fascinating book Bill Yenne documents the years when the Imperial Japanese Army IJA was conducting its equally unstoppable ground campaign in the Far East and unlike other books on this subject he studies the campaign from the Japanese point of view He reveals how the IJA were able to conquer huge swathes of Southeast Asia in a little over eight weeks after the attack on Pearl Harbor Using first hand accounts from Japanese sources Yenne reveals the tactics and mindset of the IJA during their offensive detailing the capturing of Manila the Philippines Hong Kong Singapore Burma and the Dutch East Indies Exploring the infrastructure and technical challenges of waging war across such a huge area Yenne delves into the hardships that faced individual Japanese soldiers in theatre and explains how the Japanese were able to remain undefeated and establish the aura of invincibility that marked their campaign between 1941 42

Imperial Japan's Allied Prisoners of War in the South Pacific C. Kenneth Quinones,2021-09-30 Three weeks after Imperial Japan's surrender five men dressed in baggy khaki uniforms stared at the camera They and two colleagues were the only survivors out of the 210 Allied airmen which Imperial Japan had imprisoned in paradise Joining them were 18 British soldiers the only survivors of 600 of their countrymen similarly but separately imprisoned Another 10 000 Allied soldiers and civilians were also imprisoned on the South Pacific island of New Britain More than half died before liberation What motivated such inhumane treatment This book's quest for an answer traces the genesis of Bushido Imperial Japan's martial code and surveys the prisoners recollections of their ordeal as the Battle for Rabaul raged around them from

1942 to March 1944 **Military Handguns of Two World Wars** John Walter,2003 In this companion volume to his **Military Rifles of Two World Wars** renowned firearms expert John Walter examines in detail the handguns used by all nations that fought in WWII He covers the full range from the Walther PPK Luger and Smith and Wessons to the less well known Turkish parabellum and Finish Lahti At the end of the nineteenth century the supremacy of the revolver was being threatened by the semi automatic pistol the design that would predominate throughout two world wars and beyond In this book John Walter provides detailed technical specifications and data for every gun manufactured and gives a history of its development and use Every entry is also accompanied by a photograph or technical drawing and in some cases rare pictures of the guns in combat

China At The Crossroads F. Gilbert Chan,2019-03-08 Concentrating on a transitional epoch 1927 1949 when China was at the crossroads of revolution this book analyzes the Kuomintang s inherent weaknesses as a revolutionary force and the Communists success in the quest for new formulas to guide the modernization movement

National Union Catalog , Includes entries for maps and atlases **The Greenhill Dictionary of Guns and Gunmakers** John Walter,2001 An illustrated dictionary of firearms and their manufacturers listed in alphabetical order

Subject Catalog, 1982 Library of Congress,1982 **Shooter's Bible** ,1990 **The Wakamatsu Tea and Silk Colony Farm and the Creation of Japanese America** Daniel A. Métraux,2019-03-13 Japanese became the largest ethnic Asian group in the United States for most of the twentieth century and played a critical role in the expansion of agriculture in California and elsewhere The first Japanese settlement occurred in 1869 when refugees fleeing the devastation in their Aizu Domain of the 1868 Boshin Civil War traveled to California in 1869 where they established the Wakamatsu Tea Silk Colony Farm Led by German arms dealer and entrepreneur John Henry Schnell the Colony succeeded in its initial attempts to produce tea and silk but financial problems a severe drought and tainted irrigation water forced the closure of the Colony in June 1871 While the Aizu colonists were unsuccessful in their endeavor their departure from Japan as refugees their goal of settling permanently in the United States and their establishment of an agricultural colony was soon imitated by tens of thousands of Japanese immigrants The Wakamatsu Colony was largely forgotten after its closure but Japanese American historians rediscovered it in the 1920s and soon recognized it as the birthplace of Japanese America They focused their attention on a young female colonist Okei Ito who died there weeks after the Colony shut down and whose grave rests on the property to this day These writers transformed Okei san into a pure and virtuous symbol who sacrificed her life to establish a foothold for future Japanese pioneers in California Today many Japanese Americans regard the Wakamatsu Farm as their Plymouth Rock or Jamestown and have made it a major pilgrimage site The American River Conservancy ARC purchased the Wakamatsu Farm property in 2010 ARC is restoring the site s historic farm house and is working to protect the Farm s extensive natural and cultural history

The Hand Cannons Of Imperial Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Hand Cannons Of Imperial Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Hand Cannons Of Imperial Japan has opened up a world of possibilities. Downloading The Hand Cannons Of Imperial Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Hand Cannons Of Imperial Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Hand Cannons Of Imperial Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Hand Cannons Of Imperial Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Hand Cannons Of Imperial Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Hand Cannons Of Imperial Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Hand Cannons Of Imperial Japan Books

1. Where can I buy The Hand Cannons Of Imperial Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
